Key features of the media page

- **Like** - Users can rate the video by clicking the "like" button.
- **Share** - Clicking on Share will open a pop-up window with options to link to media page, embed or share via social media. See our article [Share and Embed Media](#) for more information.
- **Comments** - Users can comments on the video at the bottom of the screen.

The comments feature isn't currently available, but will be very soon.

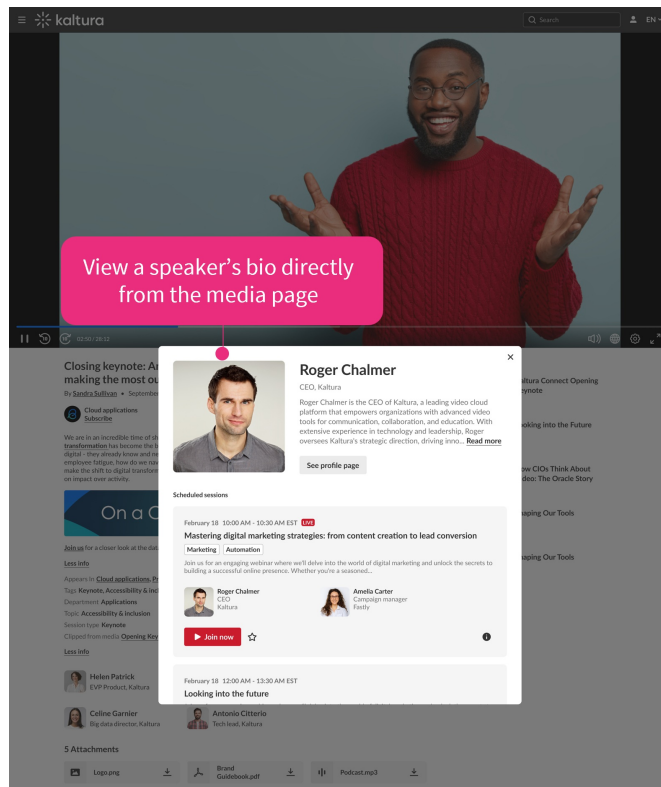

- **'Create with AI'** - Enrich and repurpose your content into engaging, snackable experiences with Kaltura's AI-powered post-production assistant. Click to access [Content Lab](#) functionality. This button will be active and enabled only on applicable entries. If you click the **Create with AI** button on an entry with no captions, you can easily navigate and order captions with a click of a button. See [Create highlight clips with AI](#), [Create quizzes with AI](#), [Create a summary and](#)

[chapters with AI](#), and [Enrich metadata with AI](#) for more information.

- **Three-dots menu** - Click the three dots to open the menu. For more information, see [Three dots menu](#) below.
- **Created from** - This feature (shown in image below) displays the original content from which media was created, such as clips or quizzes.

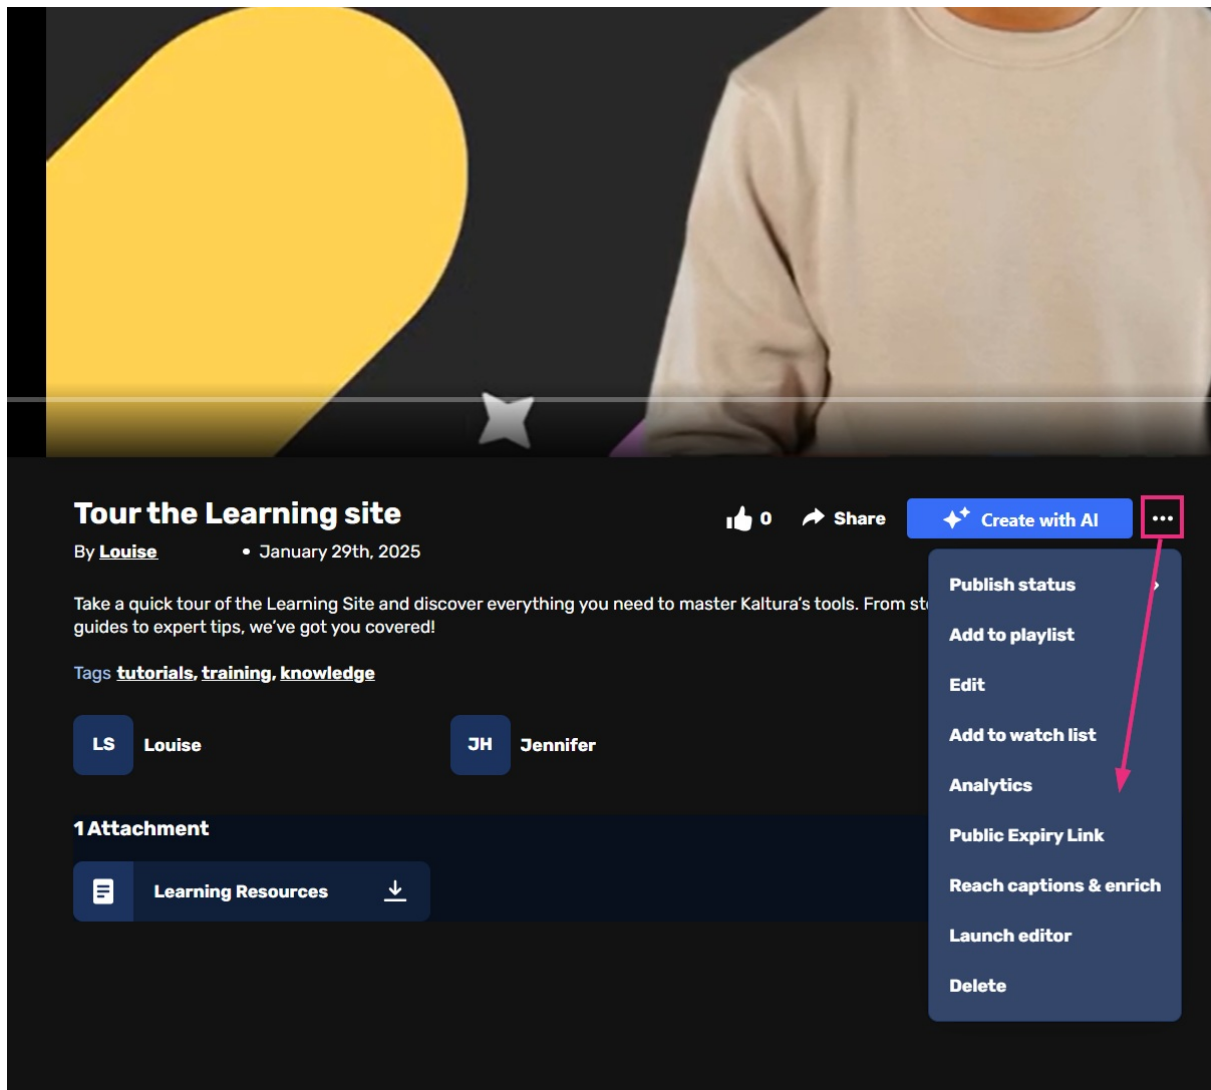

- **Viewing context with option to subscribe** - This shows where the entry is being viewed from. Note, the context will only be indicated if you came to the media through a channel. It will always display if this media was published to the one channel only. You can click **Subscribe** to subscribe to that channel if the channel manager has provided that option. See our article [Channel subscriptions](#) for more information.
- **Information about the entry** - All the information and metadata about the entry.
- **Presenters** - Media owners can easily add presenters / speakers to media entries from the [Edit Media](#) page. Users can simply click on a speaker's icon to view a pop-up with their bio (as shown in image below), without needing to navigate away from the page. To learn how to add presenters, see our article [Add speakers to media](#).

- **Attachments** - Hover over the attachment and a tooltip will show the title of the media, file name, description and file size.

Three dots menu

Click the **three dots** under the player to open the menu. The menu gives you the following options:

Your menu options may look slightly different depending on what has been enabled in your account. If there is something missing, please contact your account administrator to have it enabled.

- **Publish status** - You can select in which channel / gallery the entry will be published. Once you publish the media in a channel or category, the name will appear on the media page. To learn more about publishing media, read our article [Publish media - Theming](#).
- **Download** - Click to download a certain flavor of the media to your desktop. See [Download media](#) for more information.
- **Add to Playlist** - Click to add the entry to another playlist. Read [Add to a playlist](#)

for more information.

- **Edit** - Click to edit your entry. See our article [Edit media](#) for more information.
 - **Add to Watch List** - Click to add the entry to your personal watch list. Text will change from “Add to watch list” to “Remove from watch list” according to your status.
