Save media for later in KMS Go on iOS

Content updated: 11/28/2026

This article is designated for all users.

About

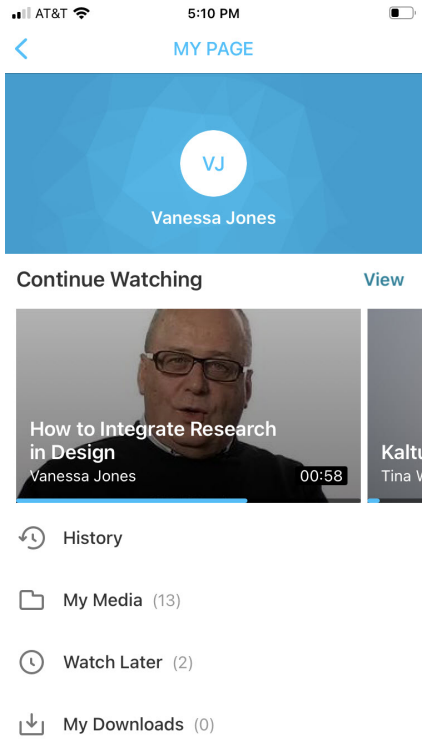
KMS Go on your iPhone lets you save media to the Watch Later playlist, and organize it in your own playlists.

Watch Later

If your administrator turns it on, the Watch Later playlist lets you set media aside to watch later.

Open the Watch Later playlist

1. Select the **My Page** icon.



2. Select **Watch Later**.

   Your Watch Later media appears.

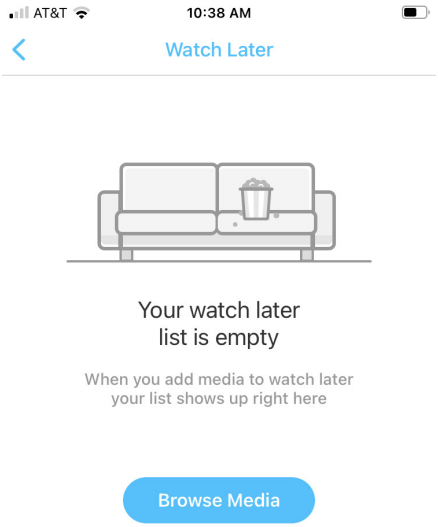
If the playlist is empty, a message says so and offers to take you to the homepage.



Add media to the Watch Later playlist

You can add media in three ways: with the **Add to Watch Later** quick action, with the **Add media to** quick action, or from a media page.

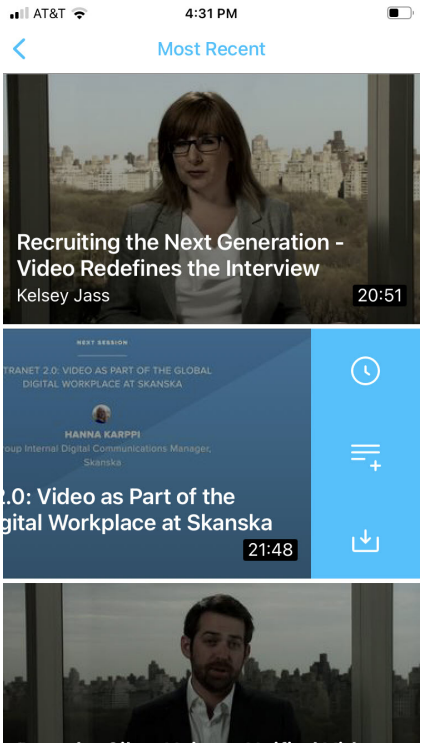
Use the Add to Watch Later quick action

1. Select a gallery or playlist.
2. Swipe the media item to the left.

   The quick action icons appear to the right of the media.



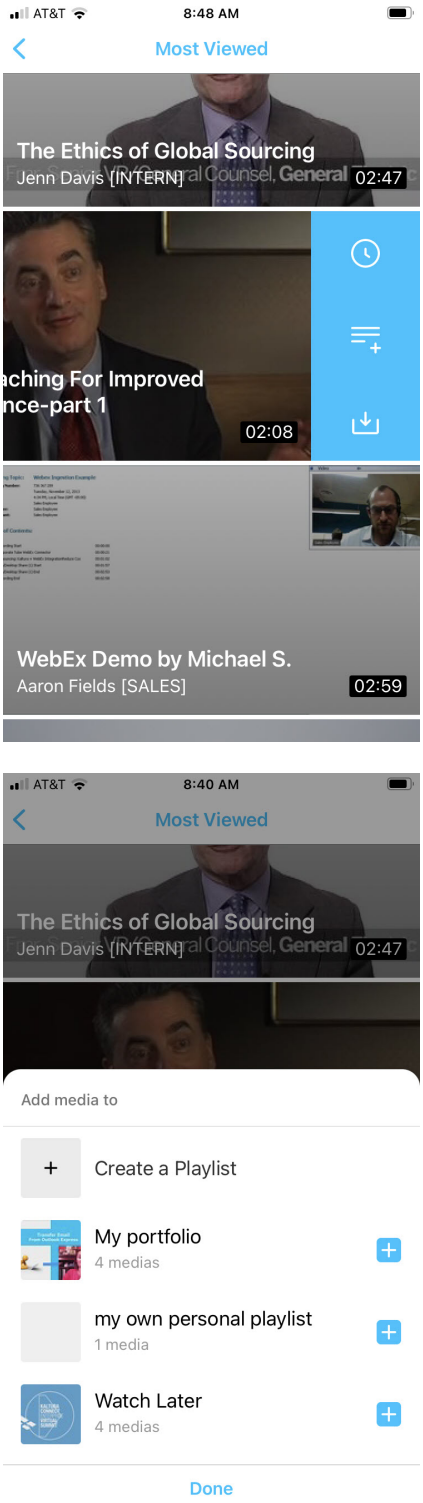
3. Select the **Add to Watch Later** (clock) icon.

Use the Add media to quick action

1. Select a gallery or playlist.
2. Swipe the media item to the left.
3. Select the **Add media to** (lines with plus sign) icon.

   The Add media to screen opens.

Copyright © 2025 Kaltura Inc. All Rights Reserved. Designated trademarks and brands are the property of their respective owners. Use of this document constitutes acceptance of the Kaltura Terms of Use and Privacy Policy.



4. Select the blue plus sign next to **Watch Later**.
   The plus sign changes to a gray checkbox.

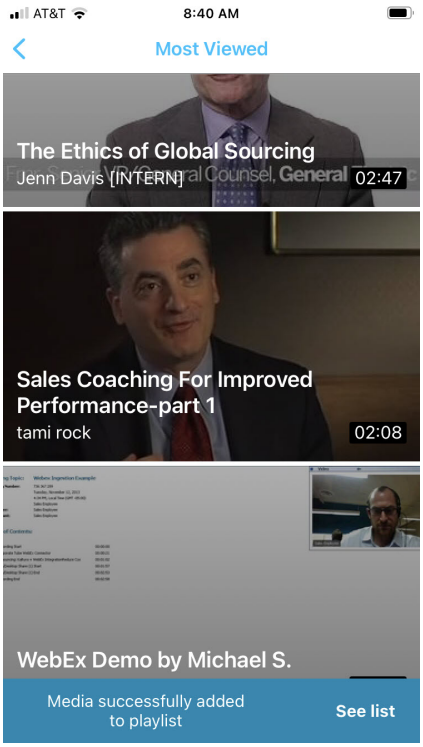
5. Select **Done**.

   A message confirms that the media was added and offers to take you to the playlist.

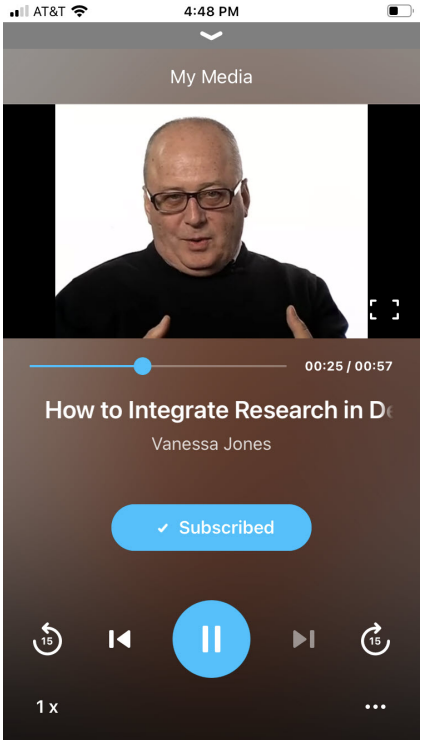


Add media from a media page

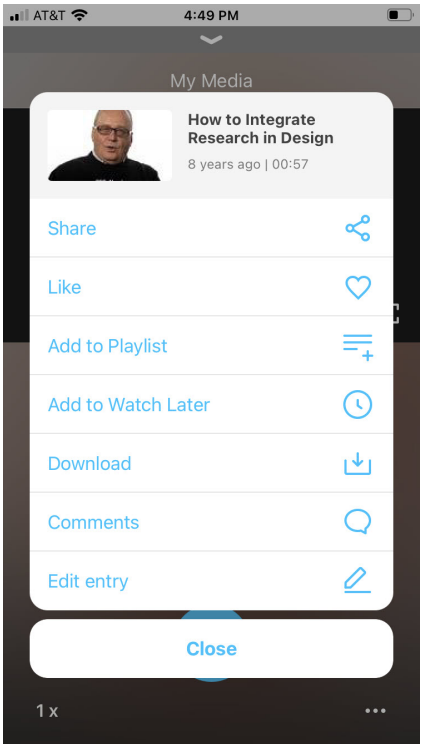
1. Go to My Media.
2. Select a media item.

Copyright © 2025 Kaltura Inc. All Rights Reserved. Designated trademarks and brands are the property of their respective owners. Use of this document constitutes acceptance of the Kaltura Terms of Use and Privacy Policy.

The media page opens.



3. Select the **ellipsis** (**...**) in the lower right corner.
   More options appear.



4. Select the **Add to Watch Later** (clock) icon.
   The icon turns blue.

5. Select **Close**.

Remove media from the Watch Later playlist

You can remove media in three ways:

- In the Watch Later playlist, swipe the media item to the left, and select the blue **Add to Watch Later** (clock) icon.
- In My Media, swipe the media item to the left, and select the blue **Add to Watch Later** (clock) icon.
- On the media page, select the **ellipsis** (**...**), and then select the blue **Add to Watch Later** (clock) icon.

Playlists

Besides adding media to your Watch Later playlist, **Add media to** lets you create playlists and add media to them.

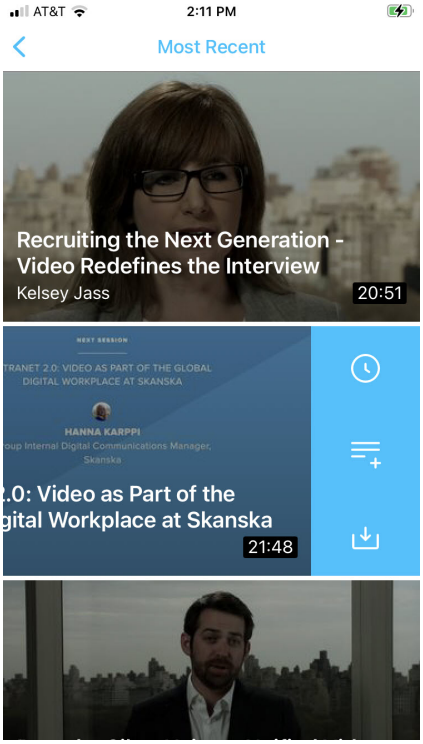
Create a playlist from a gallery or playlist

You can also create a playlist from My Page.

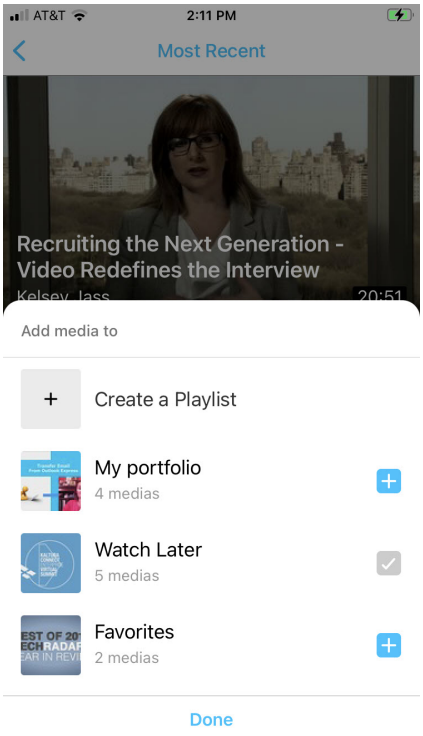
1. Select a gallery or playlist.

Copyright © 2025 Kaltura Inc. All Rights Reserved. Designated trademarks and brands are the property of their respective owners. Use of this document constitutes acceptance of the Kaltura Terms of Use and Privacy Policy.

2. Swipe the media item to the left.
   The quick action icons appear to the right of the media.



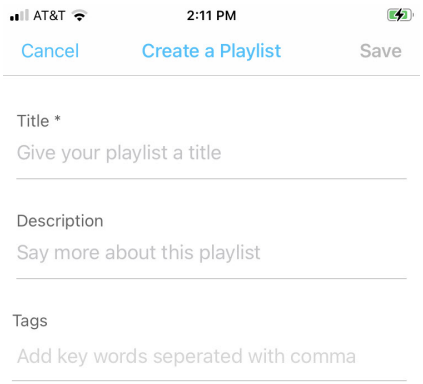
3. Select the **Add media to** (lines with plus sign) icon.
   The Add media to screen opens.



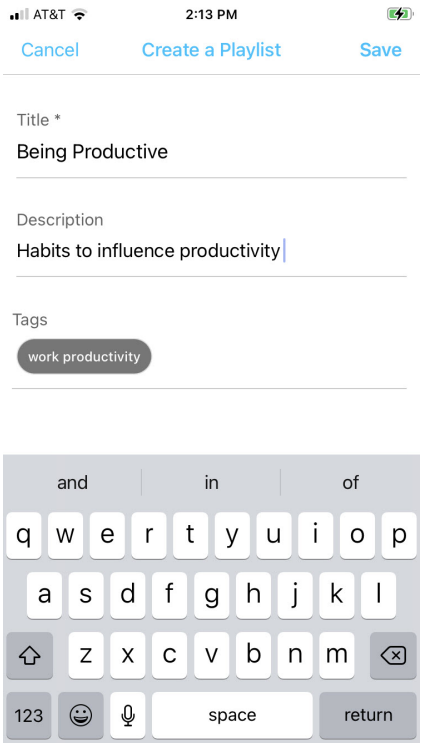
4. Select **Create a playlist**.

Copyright © 2025 Kaltura Inc. All Rights Reserved. Designated trademarks and brands are the property of their respective owners. Use of this document constitutes acceptance of the Kaltura Terms of Use and Privacy Policy.

The Create a playlist screen opens.



5. Enter a title, description, and tags for the playlist.

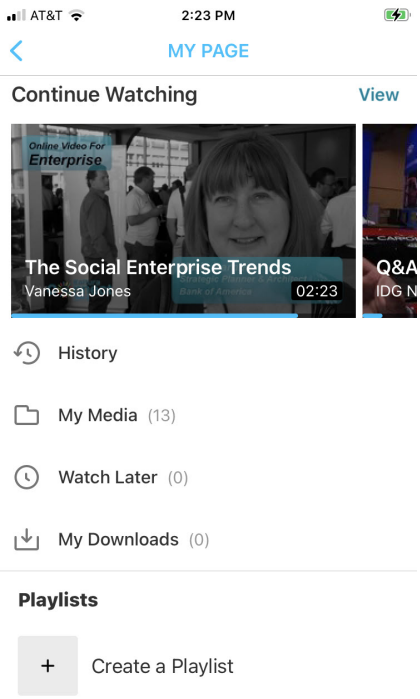


6. Select **Save**.

Create a playlist from My Page

Copyright © 2025 Kaltura Inc. All Rights Reserved. Designated trademarks and brands are the property of their respective owners. Use of this document constitutes acceptance of the Kaltura Terms of Use and Privacy Policy.

1. Select the **My Page** icon.
2. Scroll down, and select **Create a playlist**.

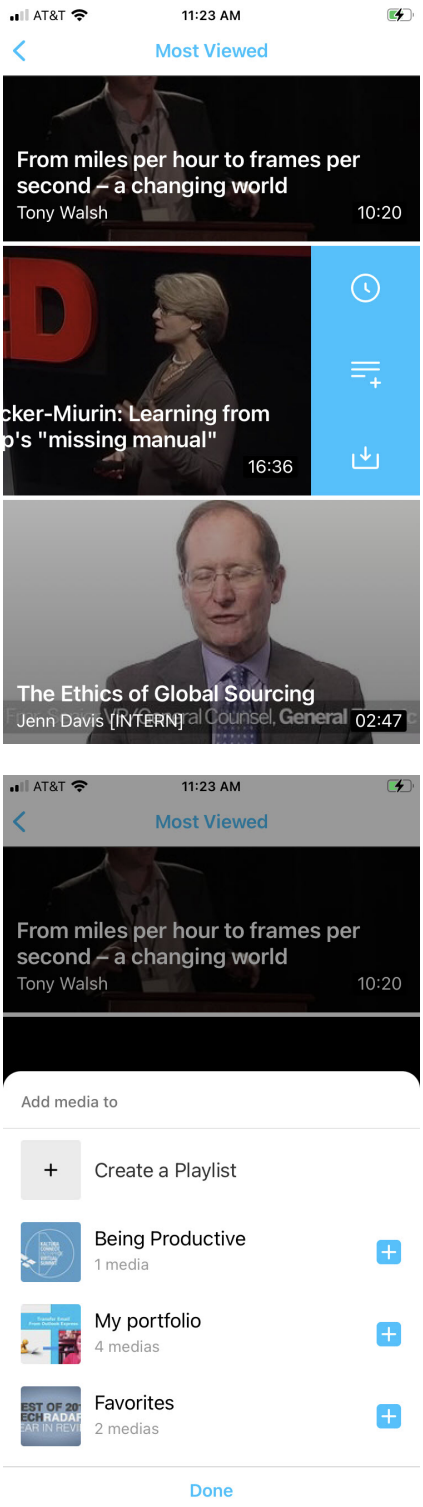


3. Enter a title, description, and tags for the playlist.
4. Select **Save**.

Add media to other playlists

1. Select a gallery or playlist.
2. Swipe the media item to the left.
3. Select the **Add media to** (lines with plus sign) icon.
   The Add media to screen opens.

Copyright © 2025 Kaltura Inc. All Rights Reserved. Designated trademarks and brands are the property of their respective owners. Use of this document constitutes acceptance of the Kaltura Terms of Use and Privacy Policy.



4. Select the blue plus sign next to the playlist you want.
   The plus sign changes to a gray checkbox.
