

Adding Notes during a Webcasting Event

Last Modified on 09/26/2019 3:07 pm IDT

At any time the presenter or moderator may choose to write notes about a particular slide or provide interim answers to a particular question.

To add notes (Producer Application)

1. Click on the Notes icon to open the notes panel.

2. In the Notes area- enter your notes.

These notes are invisible to the attendees and all viewers.
