

Publishing Kaltura Interactive Videos

Last Modified on 12/11/2019 4:40 pm IST

Permissions for Publishing

Viewers must have permission to see the Kaltura Interactive Video projects as well as permission to see the media included in the interactive video.

NOTE: For information about setting permissions, please contact your MediaSpace administrator or your Kaltura representative.

Filtering Media

1. Select My Media from the User menu.
2. Click Filters.
3. Check Interactive videos to display all you interactive video projects.

ACTIONS ▾

Complete all the required fields and save the entry before you can select to publish it to shared repositories. ✕

[Edit](#)

- ☐ **Private** - Media page will be visible to the content owner only.
- ☒ **Unlisted** - Media page will be visible to anyone with a link to the page.
- ☐ **Published** - Media page will be visible to individuals according to entitlements on published destinations

The published state of the interactive video project does *not* affect the state of the media in it. You must also provide permissions to view the specific media in the project.

4. Click Save.

A message is displayed that your interactive video project was saved successfully.
