

# Webcasting Essentials & Admin Agenda

Last Modified on 02/07/2021 12:58 pm IST

## OVERVIEW

This session is intended for admin users and provides a walk through of the Webcast application.

Upon completion of this learning session, the participants will be able to:

- Understand how to configure the Webcast application.
- Learn how to prepare and conduct a dry test run.
- Run, publish, and manage their Webcast event.
- Learn how to monitor the Webcast announcements, polls and Q&A functions.
- Understand webcast analytics.
- Learn about the additional webcast options such as self-serve, VCI integration and Outlook/Google integration.
