

So You've Been Invited To A Kaltura Virtual Classroom or Webinar, Now What?

Maybe you just received a link to a Kaltura virtual classroom or webinar? See what to check before your live session and what to expect the first time you join a Kaltura Live Room virtual classroom or webinar. In this article we cover what you need to make sure you are good to go!

1. Check Your Setup Beforehand

Before you join, it's a good idea to make sure you have everything you need to have the best live session.

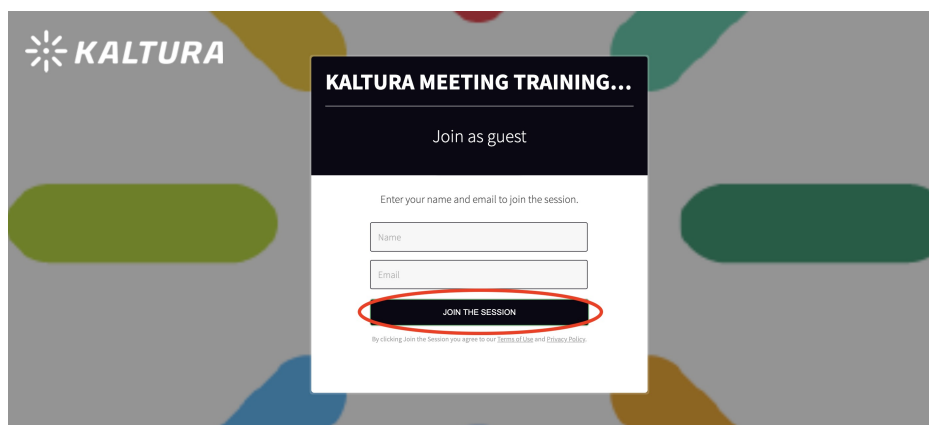

1. Check out [Recommended System Requirements](#).
2. Run the [Quick Check Tech](#) to see if you are ready.

2. Join Your Session

Joining your session is as easy as clicking the link that was sent to you.

1. Click the URL that was shared with you - make sure you are using Google Chrome or Firefox.
2. Enter in your name and email address.
3. Click the **Join The Session** button.

□ Please check out [Join A Kaltura Live Room](#) for additional information.

A screenshot of a web form titled "KALTURA MEETING TRAINING...". The form has a dark header with the Kaltura logo and the text "Join as guest". Below the header, it says "Enter your name and email to join the session." There are two input fields: "Name" and "Email". Below these fields is a button labeled "JOIN THE SESSION" which is circled in red. At the bottom of the form, there is a small link: "By clicking Join the Session you agree to our [Terms of Use](#) and [Privacy Policy](#)".

3. Participate In Your Session

After you have successfully joined your session, you can actively participate in the live session.

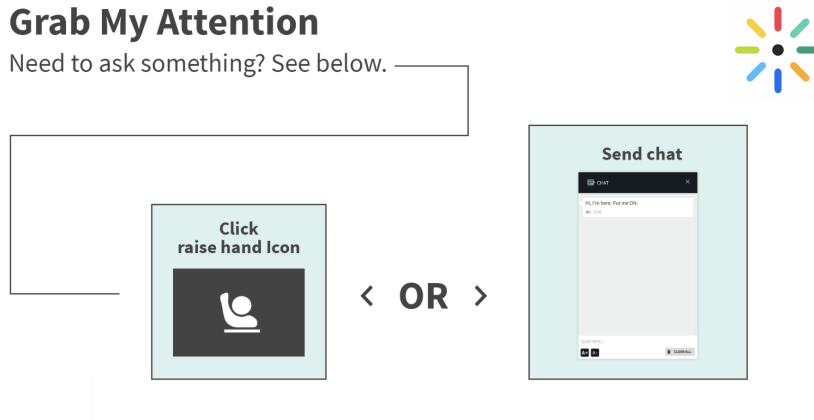

- **Activate Your Webcam and Mic** - Join the conversation by turning on your webcam and mic. When you are broadcasting, every other participant can see

and/or hear you.

- **Send Chat Messages** - Send instant chat messages to greet other participants and contribute to the live discussion.
- **Raise Your Hand** - Grab the instructor's attention by raising your hand.

Grab My Attention

Need to ask something? See below.

4. Receive Permissions

The instructor or room moderator can give you additional permission to:

- Draw On The Whiteboard
- Annotate Files
- Play Files
- Share Your Screen
- Write Notes

□For more information, please check out [Receiving Permissions In A Live Session](#).
