

Quiz

 This article is designated for all users.

Overview

[Interactive Video Quiz](#) seamlessly embeds questions at any point in a video. These questions are attached to the video and ‘travel’ with it wherever it is embedded or presented. Interactive Video Quizzing can be used to increase user engagement, measure attendees' interest, and understanding, and so much more!

Setup

To learn how to set the **Quiz** plugin on the player, see [The Kaltura Player Studio Admin Guide - Top & Bottom Bar Settings](#).

Features

- Advance preview of the quiz that displays the number of questions in each time stamp.
- Timeline markers that display the timestamp of the quiz.
- The ability to skip questions and return to them before finally submitting the answers
- The ability to show or hide hints to the quiz answers.
- Quiz scores dashboard and analytics
- Gradebook integration in LMS

The Quiz Welcome Page

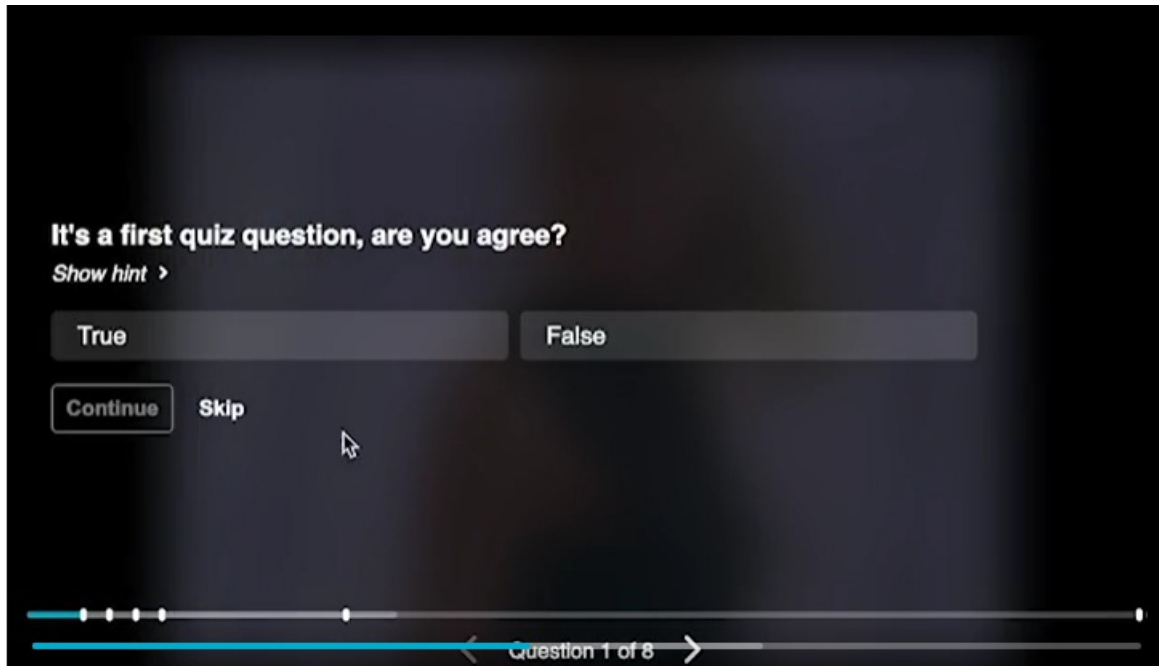

The Welcome page has the Download Pre-Test page. The pre-test page contains the quiz questions.

Click Play to begin the quiz and to display the markers indicating the position of the questions in the quiz.

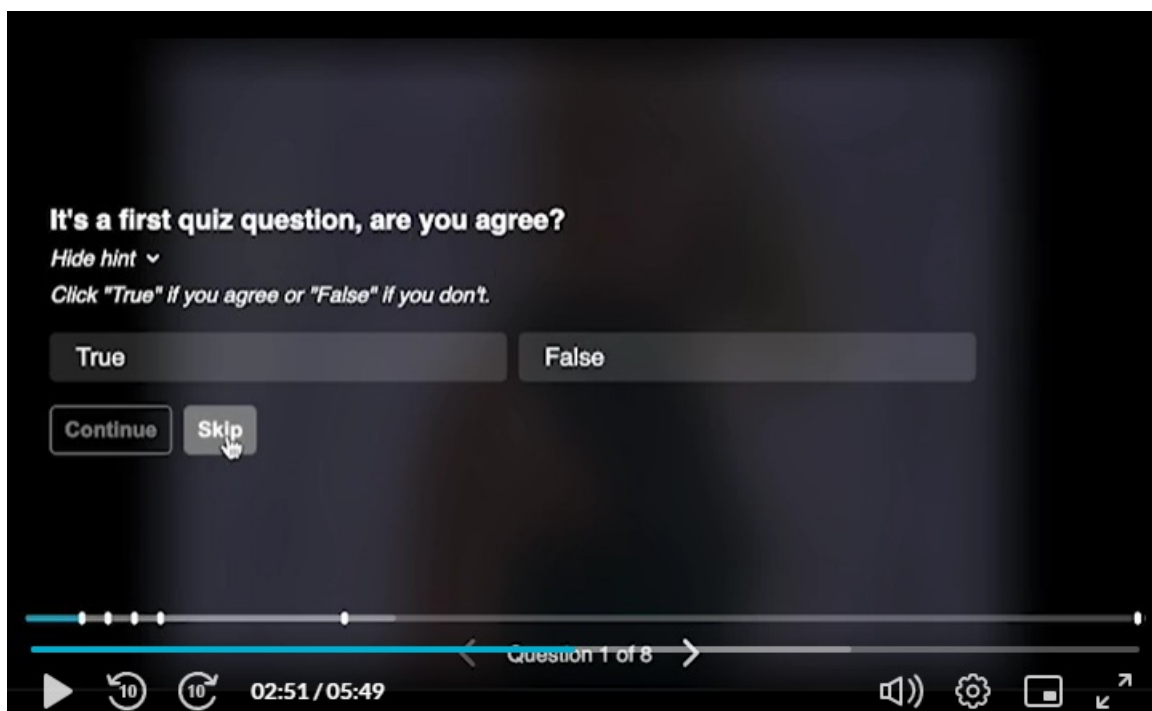

Types of Quiz Questions

True False

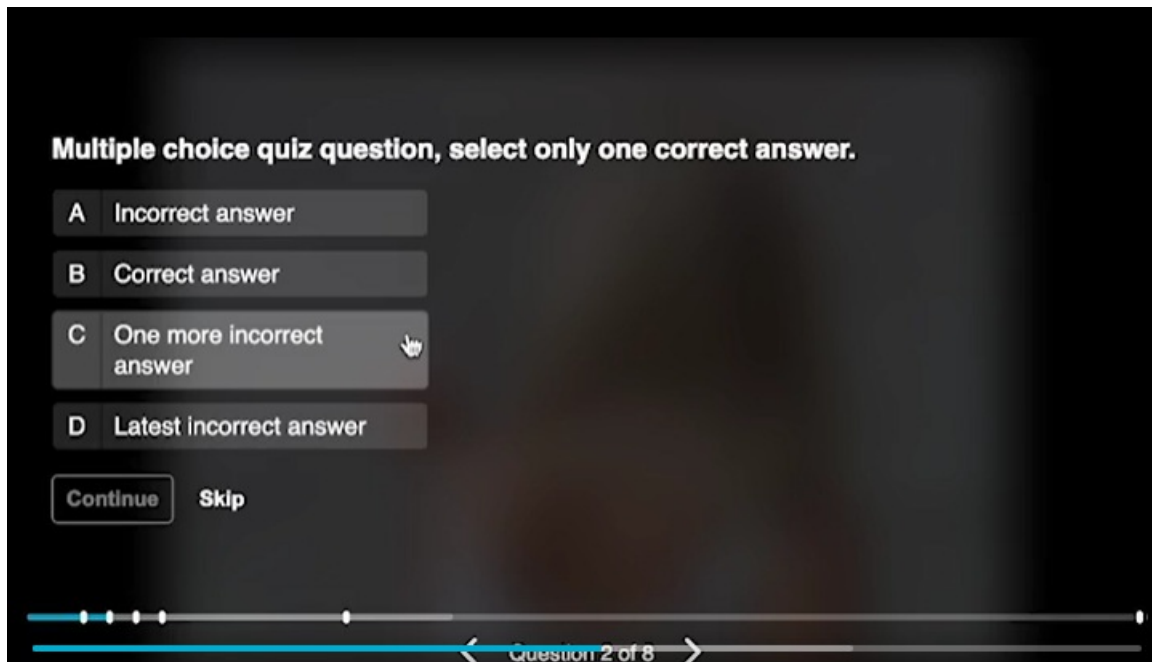

If the question has a hint, click Show Hint to see it.

Multiple Choice

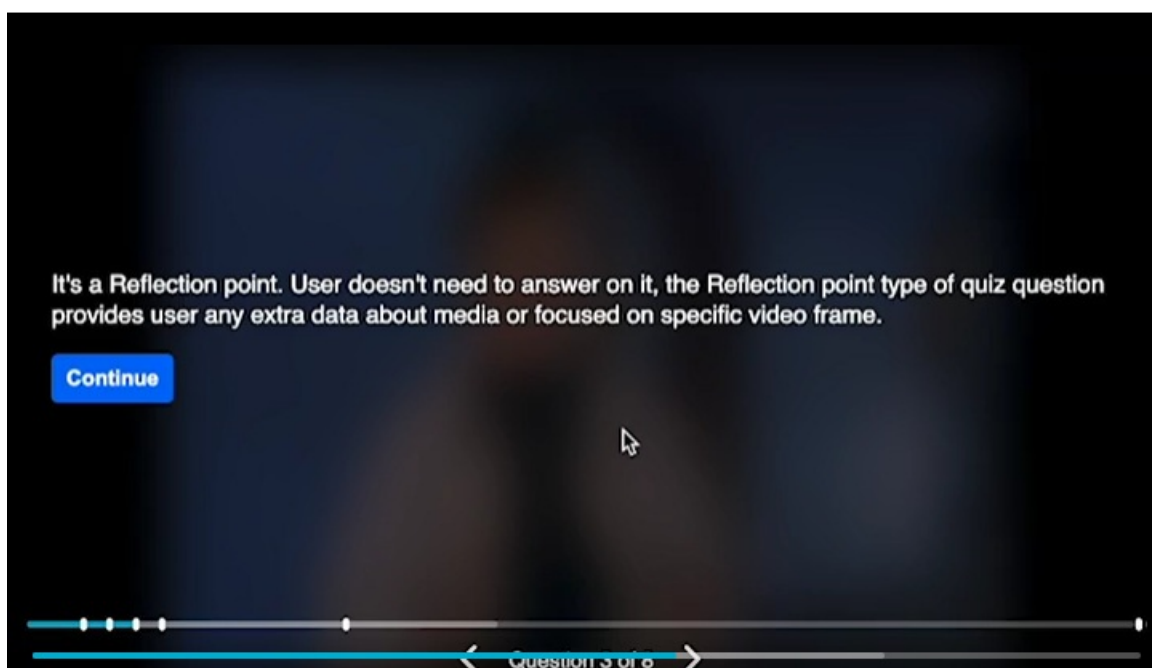

Multiple choice questions have more than two predefined answers.

Select an answer and click Continue to submit. You may also select to skip this questions and continue back to it later. Playback starts automatically until you reach the next question.

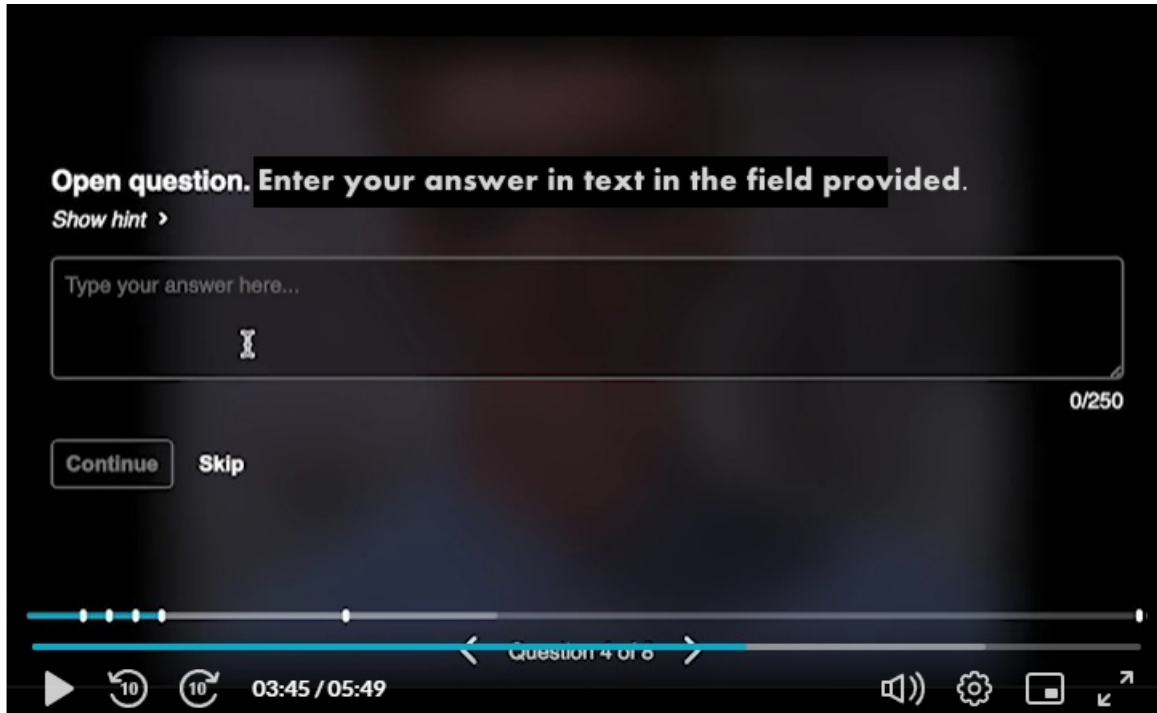

Reflection Points

A reflection point allows you to stop the video and present a quiz takers with preconfigured text. A reflection point does not have a question or preconfigured answers.

Open Ended Questions

An open-ended question allows quiz takers to enter free text responses to on-screen questions.

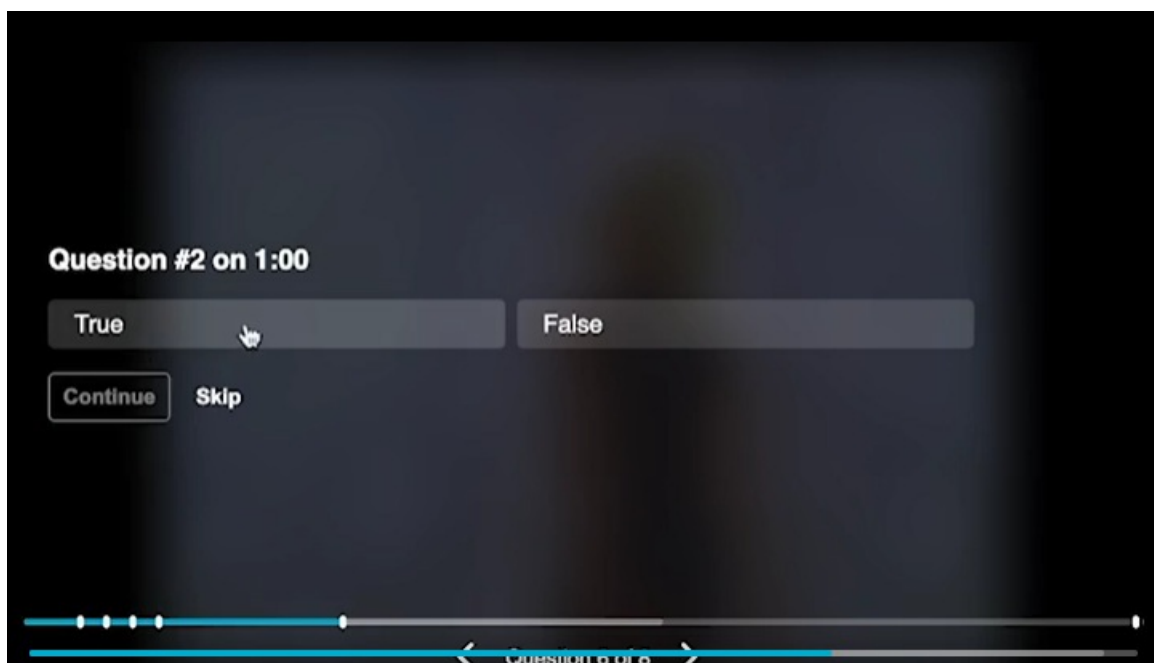

The screenshot shows a quiz interface with a dark background. At the top, it says "Open question. Enter your answer in text in the field provided." Below this is a "Show hint >" link. A large text input field contains the placeholder text "Type your answer here..." and a cursor. To the right of the input field is a "0/250" character count. Below the input field are two buttons: "Continue" and "Skip". At the bottom, there is a timeline progress bar with a play button, a 10-second rewind button, a 10-second fast forward button, a timer showing "03:45 / 05:49", a volume icon, a settings gear icon, a full screen icon, and a close icon. The text "Question 4 of 6" is displayed in the center of the timeline.

You may also select to show or hide the hint.

Questions on a certain point on the Timeline

A quiz may be created with multiple questions on the same point on the timeline. You may have different types of questions at the same point of the timeline.

Locate the exact minute on the playback to view the questions. The following graphics display 3 questions at the 1:00 minute point on the timeline.

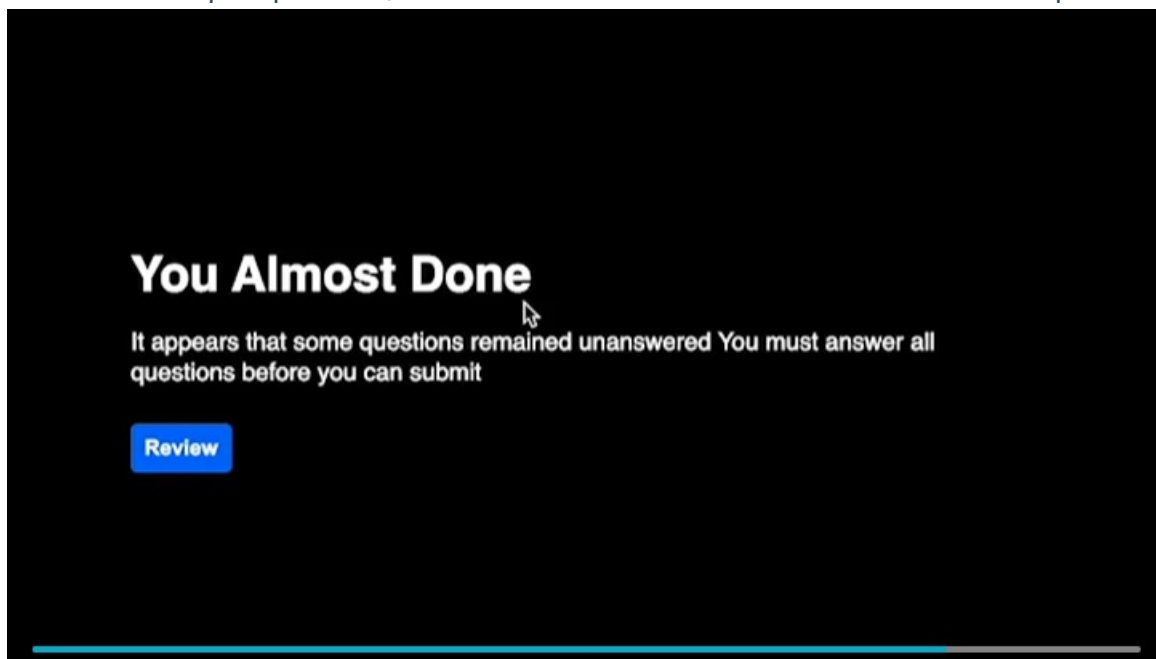

The start time and end time to may include multiple questions if created so by the quiz creator.

Reviewing Your Answers

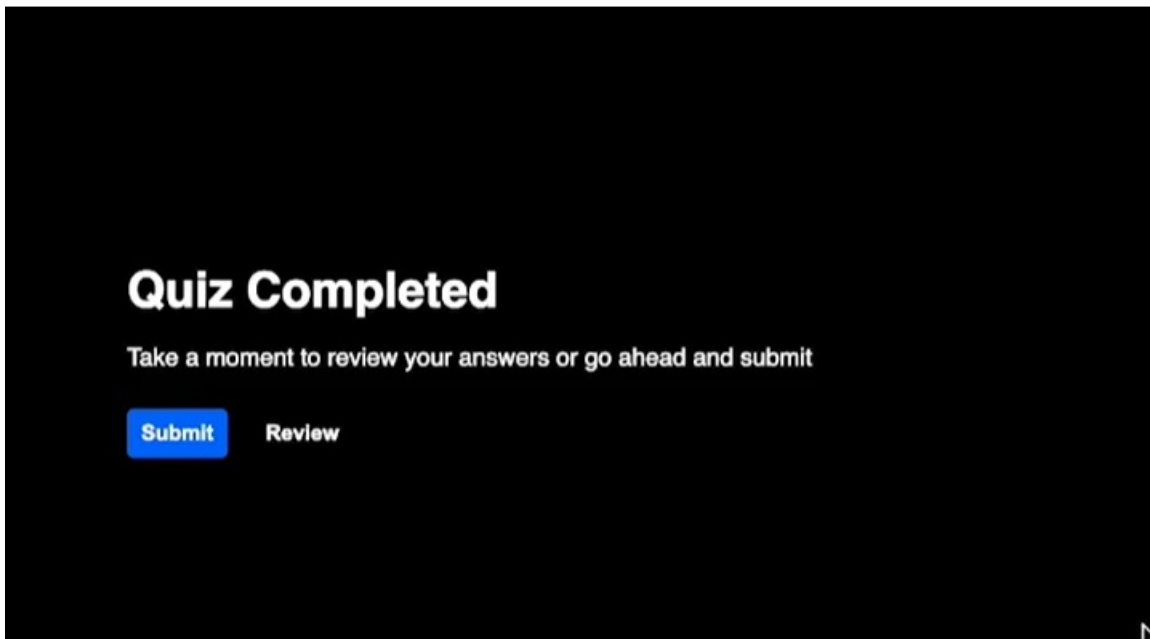

After playback ends, you may review your answers. The following screen is displayed. The text may be different as it is configured by the quiz creator. Click Review. If you selected to skip a question, use the arrows to return to the unanswered question(s).

Completing the Quiz

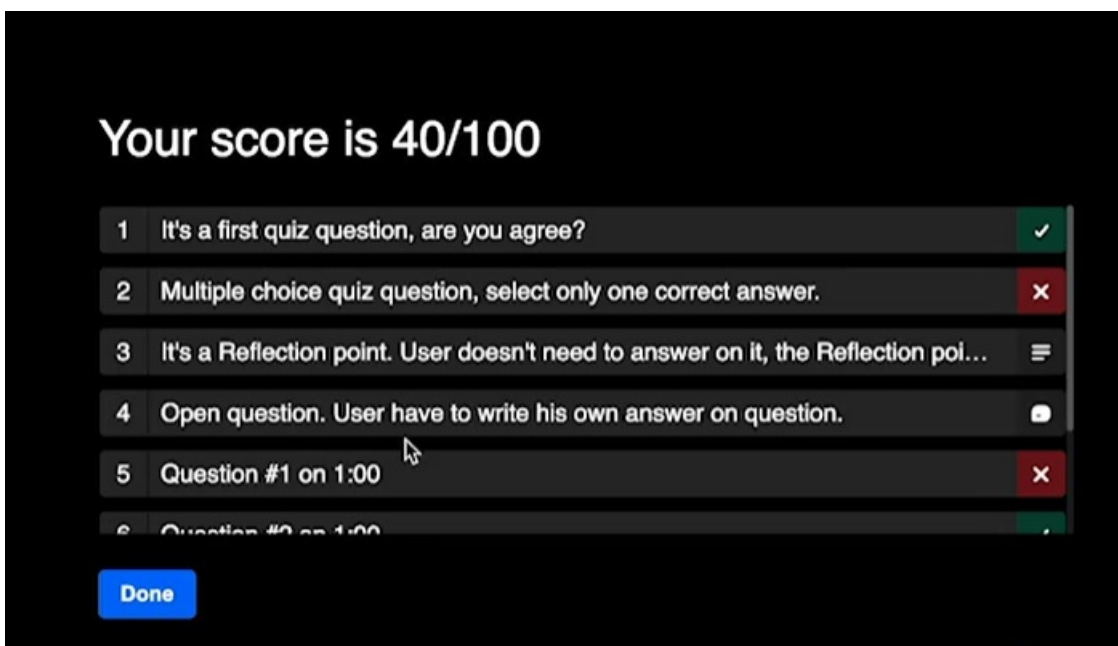

After you answer all of the quiz questions, you have the option to review all of your

answers again or submit the quiz. When you are satisfied with your answers click Submit.

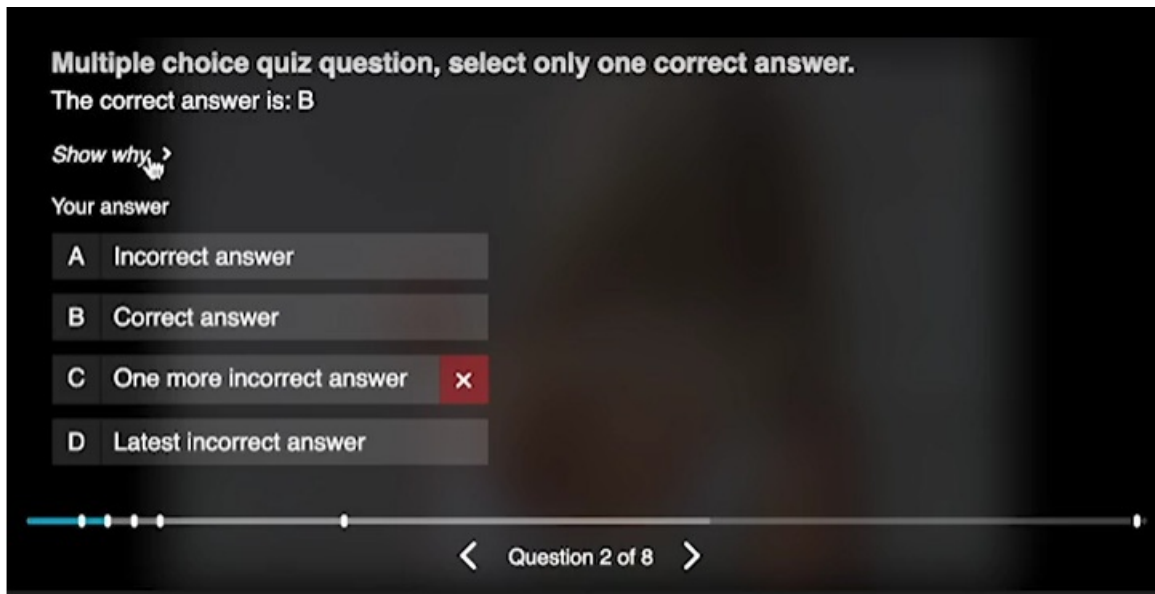

Your Quiz Score

After you submit your answers, the quiz score is displayed.

You may click on an answer that has been answered incorrectly to see the correct answer and click Show Why to display an explanation of why your answer is incorrect.

Use the arrows to navigate through all of the quiz answers.

Features to Navigate Between Questions

Use the arrows to navigate forward or backwards to questions you want to revisit.

Or, you can also navigate through the video quiz and review it using the navigation pane if [navigation plugin](#) is enabled.

When playback ends. You may review your answers before submitting your quiz.

Click Back to display the entire list of questions and your answers.

Click Done to close the Quiz.
