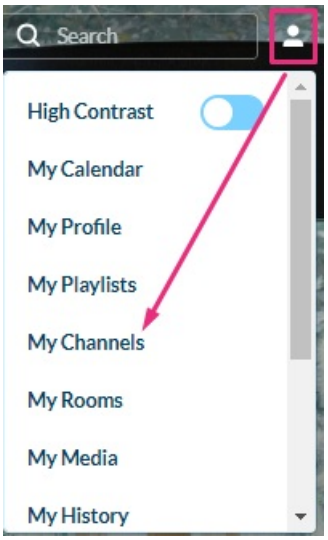
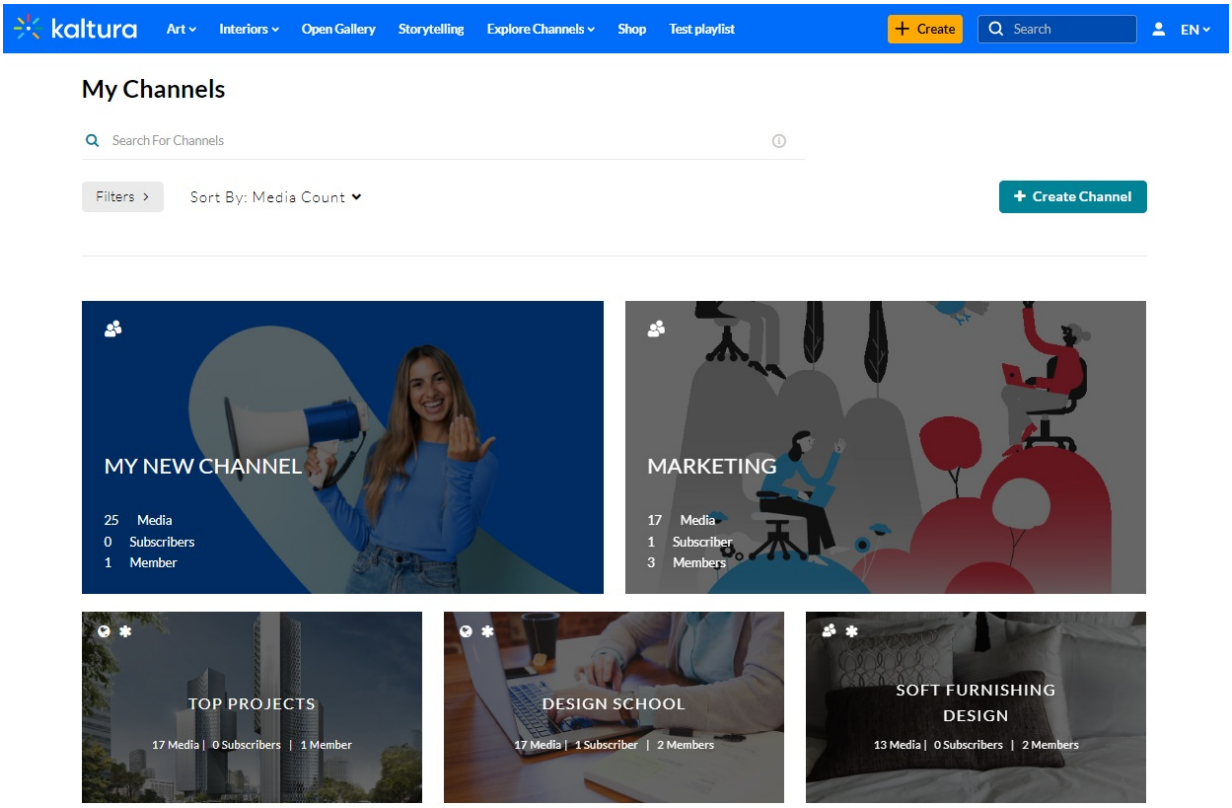
Access a channel playlist

This article is designated for all users.

1. Select **My Channels** from the user menu .



The **My Channels** page displays.



2. Click on a channel's thumbnail to open the page.

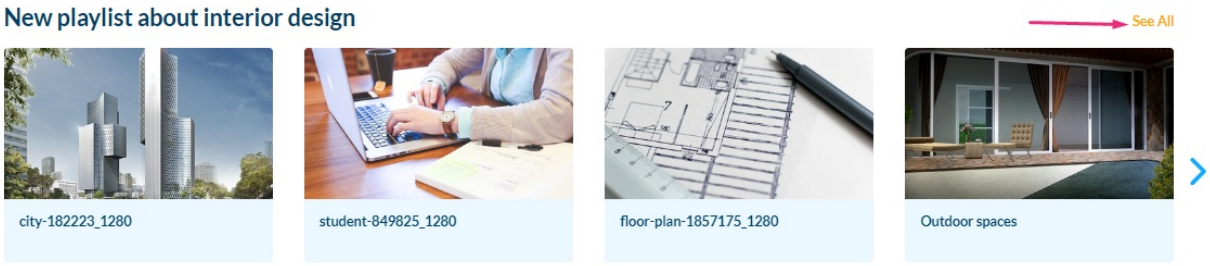
3. The channel playlists tab displays.

> The Playlists tab only appears if playlists are available in the channel

4. Click **See All** to see the entire playlist.



Playlists are displayed with a name, description and accompanying media thumbnails to identify the content. The example below has the **playlists grid** layout enabled in the Theming module. If your playlist doesn't look like this, see Theming for more information.
