My History

> 👥 **This article is designated for all users.**

Your watch history is accumulated from all devices you sign into with the same MediaSpace account. Your recently watched videos are displayed on the **My History** page with the latest watched first. Your history includes Recently Watched and Continue Watching playlists on the Homepage (if applicable).

> 💡 The following instructions have the theming module enabled.

View My History

From the user menu 👤 , select **My History**.

> ⚠️ If this option is missing from the user menu, ask your administrator to configure it in the Headermenu module.
> My History page direct URL is http://{your MediaSpace url}/history. Depending on your admin setup, My History page can also be added to the site navigation bar.

The **My History** page displays.

My History

Stunt bikes event

In this video, we will see some of the world's best stunt riders in action. In the show, you will see not only wheelies, but also jumping over the front wheel, flying over a motorcycle, reckless drifting and, of course, the highest skill in motorcycle handling that will impress any spectator. more...

Delete an item

1. From the user menu 👤 , select **My History**.

> ⚠️ If the link in the user menu is missing, ask your administrator to configure it in the Headermenu module.

The **My History** page displays.

2. Click the trash can icon next to the item you want to delete.

A confirmation message displays: 'This item has been removed from your history.'

Delete all items

1. To delete all items from your history, click **Clear History**.

A warning message displays: 'This will clear all your watch history from other applications as well. Are you sure you want to clear your entire watch history? You can't undo this.'

Clear all Watch History

This will clear all your watch history from other applications as well. Are you sure you want to clear your entire watch history? You can't undo this.

Cancel **Delete**

2. Click **Delete** or Cancel.

⚠ Clearing your watch history clears history in all other Kaltura applications too. It will also clear all progress bars.

Refresh My History page
Click the refresh icon ↻ at the top right of the page.

The page is refreshed and your watch history is updated.
