My Media in video portal

Last Modified on 07/05/2025 5:45 pm IDT

👥 **This article is designated for all users.**

About

My Media is your personalized storage space for all your uploaded and created content, and is accessible from galleries, channels, and courses. Your media items are private until you publish them in galleries, channels, or courses. Additionally, you can collaborate with others by adding them as collaborators directly from My Media.

> ℹ️ These instructions are for non-Theming users. For Theming users, please see our article My Media - Theming.

Access My Media

Select **My Media** from the user drop-down menu.

The **My Media** page displays.
My Media

Search My Media

Filters >   Search In: All Fields ∨   Sort By: Creation Date - Descending ∨   ACTIONS ∨

ℹ️

If you can't access My Media content / actions, ask your administrator to give you the required permission.

If you've uploaded media, or if you've been added as a collaborator, media is shown on this page. If you haven't uploaded any media, see Add Media for instructions.

Set the My Media display

Depending on your administrator's configuration, the content in **My Media** is initially displayed in one of three ways:
