Updating Kaltura Players in the Universal Studio

The Universal Studio tab displays the complete list of the players defined in your account. To edit any player in the Universal Studio, the player should be updated to the latest Universal Studio Players.

All players are automatically available to be updated in the new Universal Studio.

Update a Player

To update a V2 player to the latest version

1. Select the Studio tab and then click Universal Studio.

The list of existing players is displayed.

The screenshot shows the 'Players list' interface in the Universal Studio. It includes a search bar, a '+ Add New player' button, and a table with columns: Name, ID, Save Date, Creation Date, and Actions. The table lists various players, including 'New Player V2', 'MediaSpace Default Quiz Player', 'MediaSpace Quiz BSE Player', 'New Player Techpubs 2', 'New Player for Ads', 'Auto Play', 'DO NOT DELETE - MediaSpace 5.0 Quiz BSE Player', 'DO NOT DELETE - MediaSpace 5.0 Default Quiz Player', 'DO NOT DELETE - MediaSpace 5.0 Default Facebook Player', and 'KMC Player'.
