About

You can view the recording schedule for your classroom from the Lecture Capture application. The schedule shows upcoming and completed recordings by date and time.

View the recording schedule

1. Click the **Scheduling** tab.

   The schedule displays recordings by date and time. Each recording shows its time, title, and status. Recurring recordings display a recurring icon.

2. Click the **previous** or **next** arrow icon to move between days.
3. Click the **current day** icon to return to today's schedule.

A recording that's currently in progress displays a **Recording** status.
