

Starting a Scheduled Recording Earlier

Last Modified on 12/07/2021 8:46 pm IST

If there is no conflict, you can choose to start the scheduled recording up to 10 minutes earlier than the recording is scheduled to start.

Note: If the scheduled event is a Live Event the live broadcast will also start earlier.

1. Go to the Scheduling tab

A message and countdown is displayed.

* kolturalecture capture ×					
≙	ä	Scheduling			Performing Musical Difference is scheduled to start in 10 minutes
		May 29, 2017 - Monday			< • >
0			Developmental Biology		Completed
					Completed
					Completed
		3:00-4:00pm	Performing Musical Difference	Ü	Starting in 6 Min
		4:00-5:00pm	Stem Cell and Regenerative Biology	Ü	
*					

2. Hover over the countdown and click Start Now.

3. Begin recording.
