If enabled by your administrator, you also have the ability to add a time-based comment.

For example, if you want to add a comment to the video at the 6 minutes and 22 second mark, play the video to that point, then click the Add comment at XX:XX check box. Alternatively, you may also "timestamp" your comment by inserting [XX:XX] anywhere in the Add a Comment box.

## Display comments

1. Click on a media thumbnail or title.
2. If comments were entered, they are displayed in the Comments area under the media metadata.
3. When a limited number of comments are displayed, click **Load more comments** to display additional comments.

## Reply to a comment

1. Click on a media thumbnail or title.
2. In the Comments area under the media player, click **Reply** under the comment you would like to reply to.
3. In the Add a Comment field, enter a reply and click **Add**. Your reply is displayed under the comment.

## Delete a comment

1. Click a media thumbnail or title.
2. In the Comments area under the media player, click **Delete** under the comment you would like to delete.
3. Click **Yes** to confirm the deletion.

 Deleting a comment also deletes replies to the comment.

 You can delete a comment or reply only if you added it or if you are the media owner.

See [Disable Comments and Close Discussion](#) for information on disabling comments and closing discussions for your media items.
