Comments

Really great quiz! 

Add

3. Click **Add**.

Your comment appears below the 'Comments' section.

If enabled by your administrator, you also have the ability to add a time-based

comment:

- Play the media to the relevant point, then select Add comment at XX:XX.
- Alternatively, type a timestamp (for example, [06:22]) anywhere in the comment field.

Comments

This is an important part

Add comment at 06:22

[Add](#)

After you add a time-based comment, the timestamp appears as a clickable link that takes viewers to that moment in the media.

View comments

1. Click on a media thumbnail or title.
2. Scroll to the **Comments** area under the media player.
Comments display below the media metadata.

If only some comments are shown, click Load more comments to view additional comments.

Reply to a comment

1. Click on a media thumbnail or title.
2. In the 'Comments' area under the media player, click **Reply**.
3. Enter your reply in the comment field.
4. Click **Add**.

Your reply appears under the original comment.

Delete a comment

1. Click a media thumbnail or title.
2. In the 'Comments' area under the media player, click **Delete** under the comment you would like to delete.
3. Click **Yes** to confirm.

Deleting a comment also deletes replies to the comment.

You can delete a comment or reply only if you added it or if you are the media owner.

For information about disabling comments or closing discussions, see [Disable Comments and Close Discussion](#).
