Add Attachments to Media

This article describes how to add attachments to media in Kaltura Mediaspace and KAF applications.
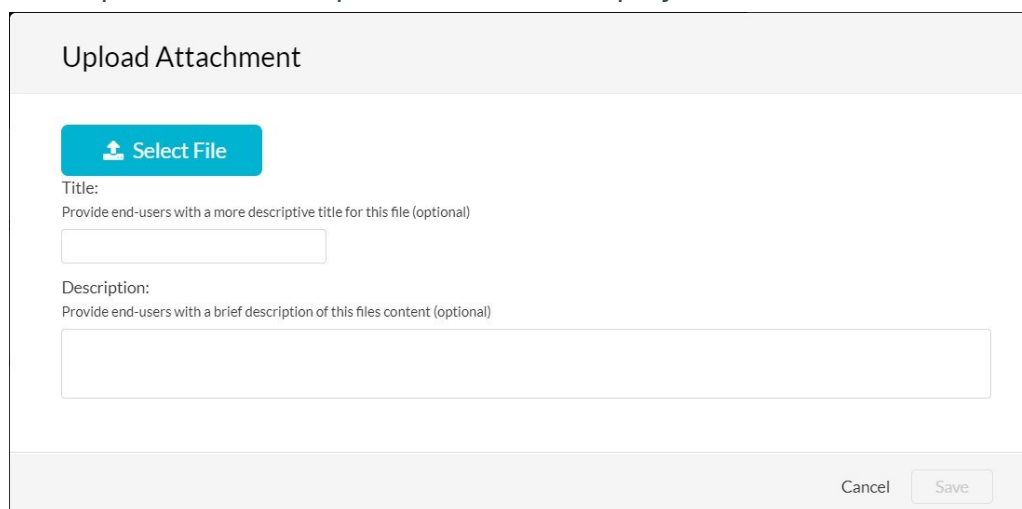

You can attach files to your media. Media viewers may download the file before, during, or after viewing the media.

▤ To add an attachment to a media entry

1. Access the Edit Media Page.
2. Click on the Attachments tab.

3. Click Upload file. The Upload window is displayed.

4. Provide descriptive information about the attachment (optional) and click Select File.
5. Select a file to attach and click Open.
   The file is saved as an attachment to your media file.
6. Use the editing options/icons in the Actions column to change (pencil icon) the title or description of the attachment file, delete (X icon), or download (Download icon) the attachment file.

The Kaltura logo appears at top.
