> 👥 **This article is designated for all users.**

About

Kaltura's video editing tools offer various features to enhance your media, including:

- Create and edit quizzes
- Clip, trim, chop, and splice videos
- Add hotspots
- Insert advertisements (KMC only)

Supported media

The table below shows which editing tools are available for each media type:

| Media	Create & edit quiz	Clip & trim media	Chop & splice media	Add hotspots
Quiz	✓	✓	✓	
Audio	✓	✓	✓	
YouTube video	✓			
VOD	✓	✓	✓	✓

Prerequisites

- **Editor module**: The Editor module must be enabled by your administrator. For KMC, the editor is accessed through the Advertisements tab in the Entry details page.
- **Permissions**: You must be the owner or co-editor of the media, or have permission to create clips.
- **Quizzes:** Both the Quiz module and Editor module must be enabled.
- **Hotspots:** The Hotspots module must be enabled. Hotspots are available in the Video Portal for player version 2.75 and later. Hotspots are "time-based" labels or comments with or without hyperlinks displayed over the video during playback.
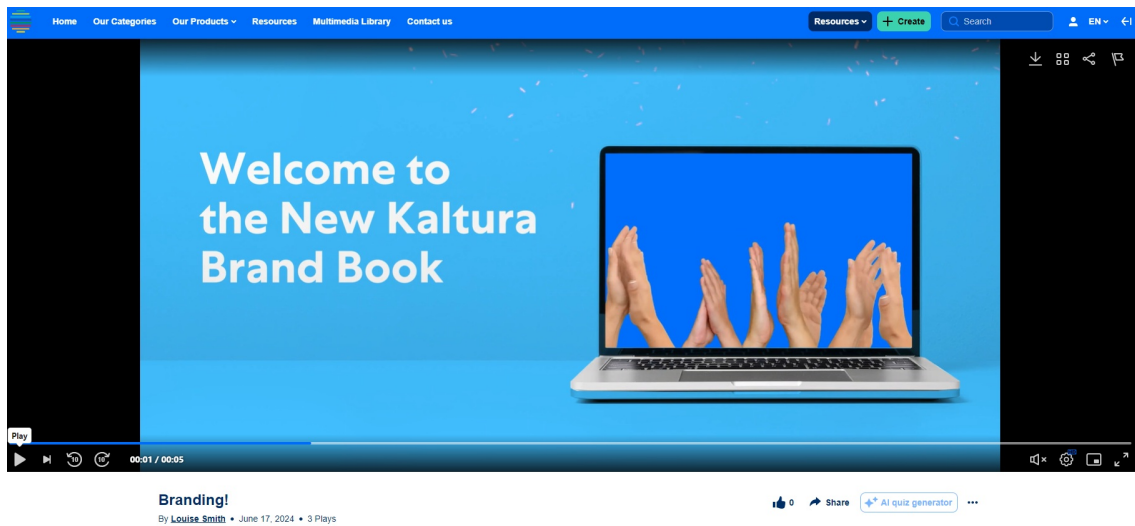

## Explore the video editor

Launch the editor

Option 1:

1. Access the Media page. You can do this by clicking on the desired media's thumbnail.

The media page displays.

2. Click the three dots below the player.

3. Select **Launch Editor** from the three-dots menu.

Option 2:

1. From the user menu, select **My Media**.

The **My Media** page displays.

2. Click the **three dots** to the right of the desired media and select **Edit**.

The edit media page displays.

3. Click **Launch editor**.

Media Type: Video

Publish Status: Private

Creation date:
October 07, 2024 7:15 PM Asia/Jerusalem

Update date:
October 07, 2024 7:16 PM Asia/Jerusalem

Media asset update date:
October 07, 2024 7:15 PM Asia/Jerusalem

Launch Editor

Details   Languages   Publish   Options   Collaboration   Thumbnails   Presenters   Downloads   Distribution   Captions   Attachments   Timeline   Replace Media   Display

The video editor opens.

Video editor tabs

The video editing tools display the following tabs. Click on a tab name for more detailed information on its functionality.

Tab	Name	Description
	Quiz tab	Create and edit Interactive Video Quizzes (KMS/KAF only).
	Editor tab	Trim or clip media, and chop and splice media.
	Hotspots tab	Create hotspots on your entry.
	Advertisements tab	Set cue points for advertisements (KMC only).
	Help tab	Includes helpful tips and accessibility information.
	Exit	Exit the Editor.

💡 Depending on the type of application you are using and the type of media you selected, the Video Editor window displays the relevant tabs.
