Kaltura Video Quiz Sakai Gradebook User Guide
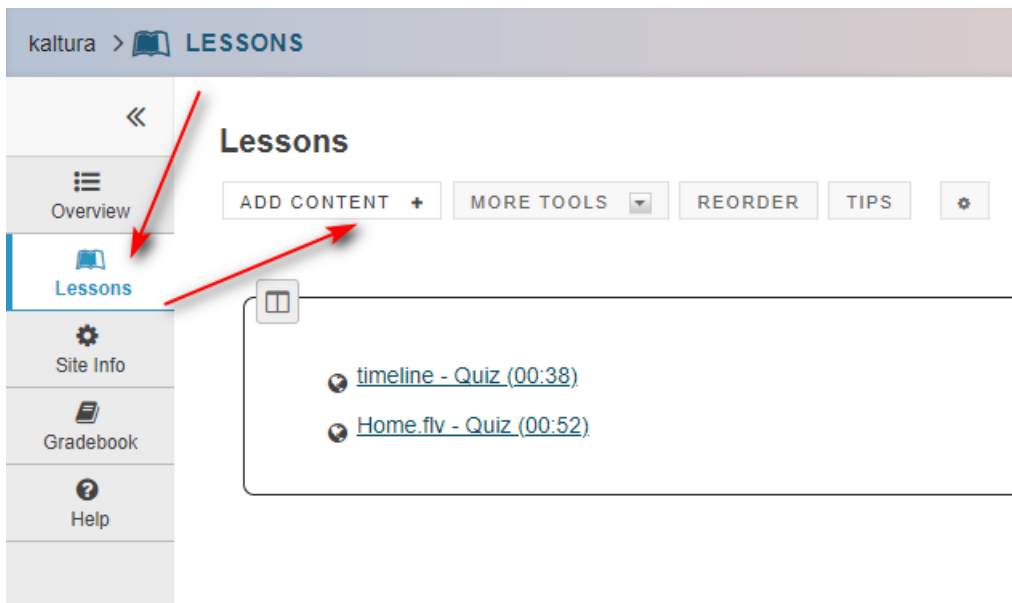

This article describes how to create an assignment that uses Kaltura's Video Quiz's feature that integrates with the Sakai Gradebook.

> ⚠ There are two different versions of the Sakai integration - the tool and LTI. Instructions for creating an assignment using Kaltura's Video Quiz (VQ) that integrates with the Sakai Gradebook differ according to the version you are using.
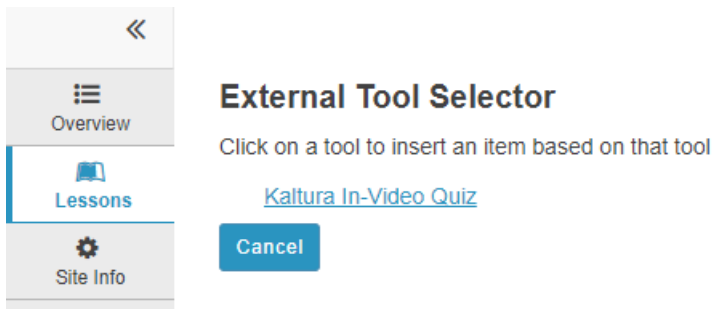

Tool Instructions:

To create an assignment using Kaltura's Video Quiz (VQ) that integrates with the Sakai Gradebook

1. Create a video quiz in your My Media – See How to create a Quiz with VQ.
2. Navigate to the site's Lessons tab.
3. Click on Add Content > Add External Tool.

4. Locate and click on the new tool your admin created. The Kaltura BSE page will open.

---

5. In the "Preconfigured Tool" select "Kaltura In-Video Quiz" (or the new tool name you configured).
6. Select a quiz from My Media or create a new one.

7. Define your grade settings (please note scale is not supported) and other configuration.
8. Click Save.

When students answer and submit their quiz, see Taking a Quiz, the grade is automatically sent to the Sakai Gradebook for the relevant assignment and student.

LTI Instructions:

1. Create a video quiz in your My Media.
2. Navigate to the site's Lessons tab.
3. Click on Add Content > Add Learning App.
4. Locate and click on the new tool your admin created.
   The Kaltura BSE page displays.
5. In the "Preconfigured Tool", select "Kaltura In-Video Quiz" (or the new tool name you configured).
6. Select a quiz from My Media or create a new one.
7. Define your grade settings (please note scale is missing via "Add Learning App") and other configurations.
8. Click (Save) Embed.
