

Log into the KMC

Last Modified on 06/10/2025 8:59 pm IDT

 This article is designated for administrators.

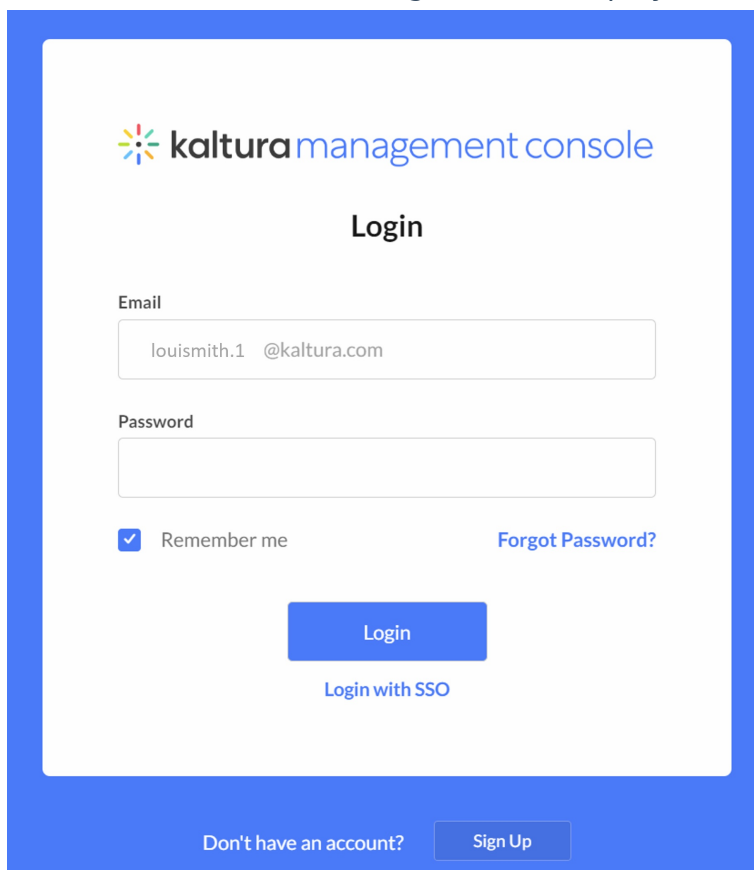

After you are added as a user to the Kaltura Management Console (KMC), you may use your appropriate credentials to login.

If you don't have an account, click [Sign up](#) on the Login screen for a free trial of the KMC.

Application log in

1. Access the KMC URL. The Login screen displays.

The screenshot shows the Kaltura Management Console Login page. At the top, the Kaltura logo is followed by the text "management console". Below this is the heading "Login". There are two input fields: "Email" with the text "louismith.1 @kaltura.com" and "Password" which is empty. Below the password field is a checked checkbox labeled "Remember me" and a link "Forgot Password?". A blue "Login" button is centered below these fields. Below the button is a link "Login with SSO". At the bottom of the page, there is a link "Don't have an account?" and a "Sign Up" button.

2. Type the Email and Password you received in the Kaltura Registration Confirmation email.

Forgot Password

1. Click Forgot password? on the Login screen. The Forgot Password screen displays.

2. Type your email in the Email field.
3. Click **Send**. Instructions on logging in will be emailed to you.

Single sign-on (SSO) login

Note: Authentication through your IdP is required before you may access the KMC. If you haven't authenticated before beginning the process of logging into the KMC, you will be asked to do so. Steps to complete the authentication may include entering a username and password, sending a "push" notification to obtain an authentication code, etc.

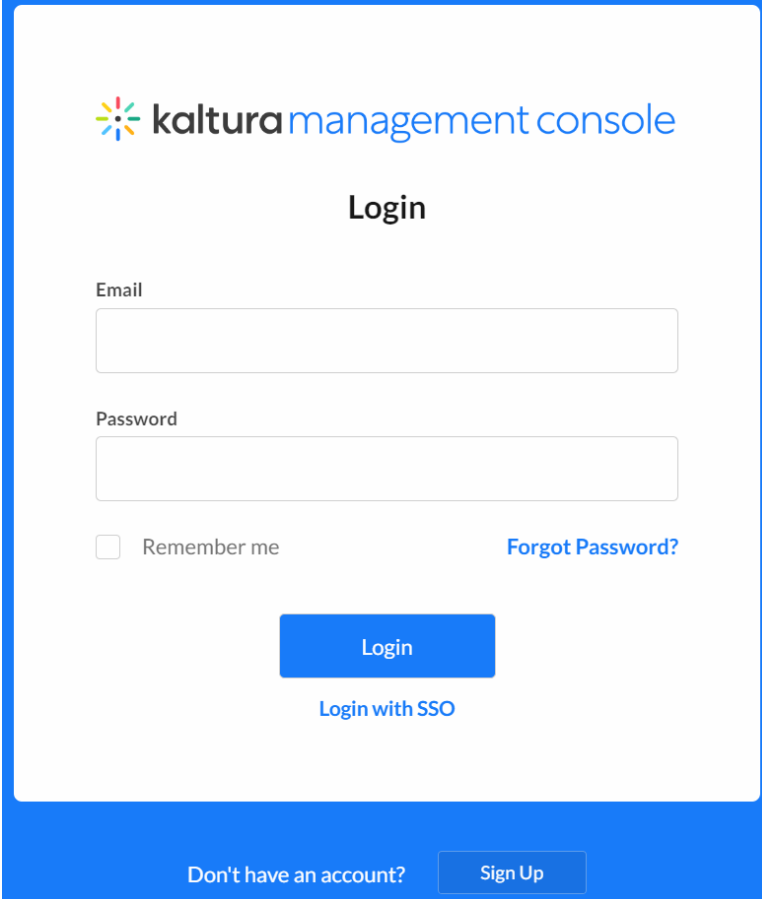

The information you are asked to provide during the login process depends on how your account is configured. See the following administrative articles regarding account configuration using Auth Broker:

[Create and manage SAML profiles](#)

[Subscribe KMC and Event accounts to Auth Broker profiles](#)

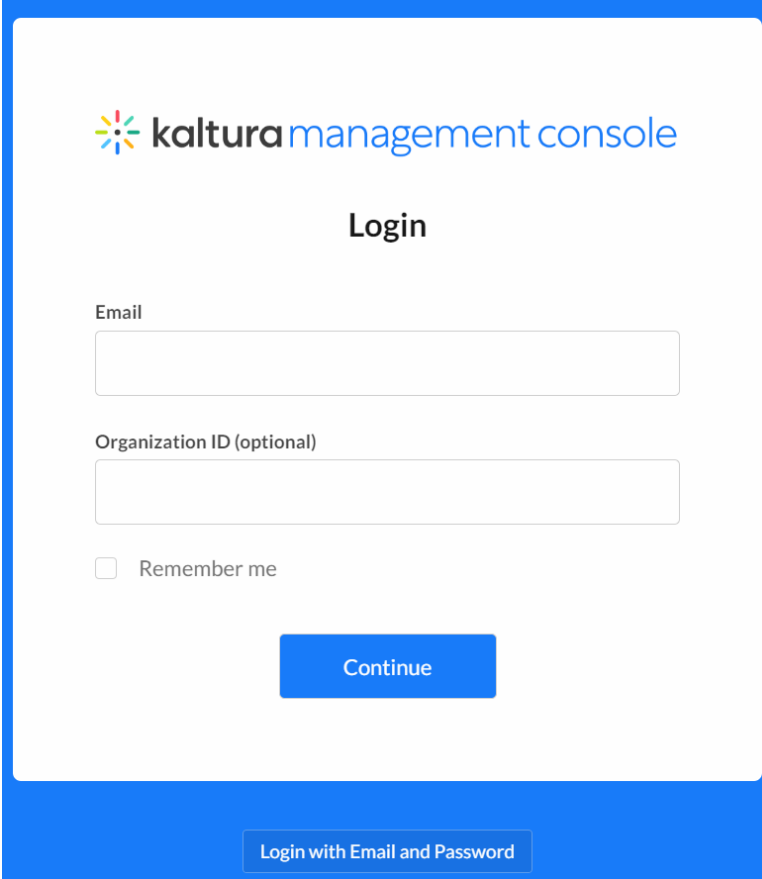

[Auth Broker](#)

1. Access the KMC URL. The Login screen displays.

The screenshot shows the Kaltura Management Console Login page. At the top, the Kaltura logo is followed by the text "kaltura management console". Below this is the heading "Login". There are two input fields: "Email" and "Password". Below the "Email" field is a "Remember me" checkbox. To the right of the "Remember me" checkbox is a link "Forgot Password?". Below these fields is a blue "Login" button. Below the "Login" button is a link "Login with SSO". At the bottom of the page, there is a blue bar with the text "Don't have an account?" and a "Sign Up" button.

2. Click **Login with SSO**. The Single sign on (SSO) login screen displays.

3. Type your work email in the Email field.
4. An Organization ID lets users indicate which KMC account they would like to enter in organizations that have more than one KMC account. If you have been provided an Organization ID for login, type it in the Organization ID (optional) field.

Organization ID is only optional if your company does not require one for login. If you do not enter an Organization ID when your company requires one for login, you will be prompted to enter an Organization ID before proceeding with the login process.

5. Check **Remember me** if you would like for the application to save your credentials.
6. Click **Continue**. If multiple authentication profiles exist on this account, the login screen expands to display an additional field called Select authentication profile.
