- (Optional) Enter a description and tags for the Media Gallery of the course.
- Select:

- Moderate content (media will not appear in Media Gallery until approved by the gallery manager) – Determines whether content should be moderated.
- Enable comments in Media Gallery – Determines whether comments should be enabled in the gallery.
- Keep comments private to Media Gallery - If checked, all comments added to media in Media Gallery will be private to the Media Gallery and will not appear elsewhere (except for the My Media page of the user who owns the media).
- Display embedded media in this Media Gallery

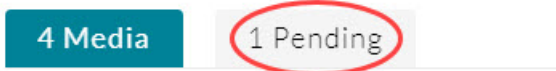

- Click Save.

## Moderate Media Gallery Content

To approve and reject content that is pending moderation

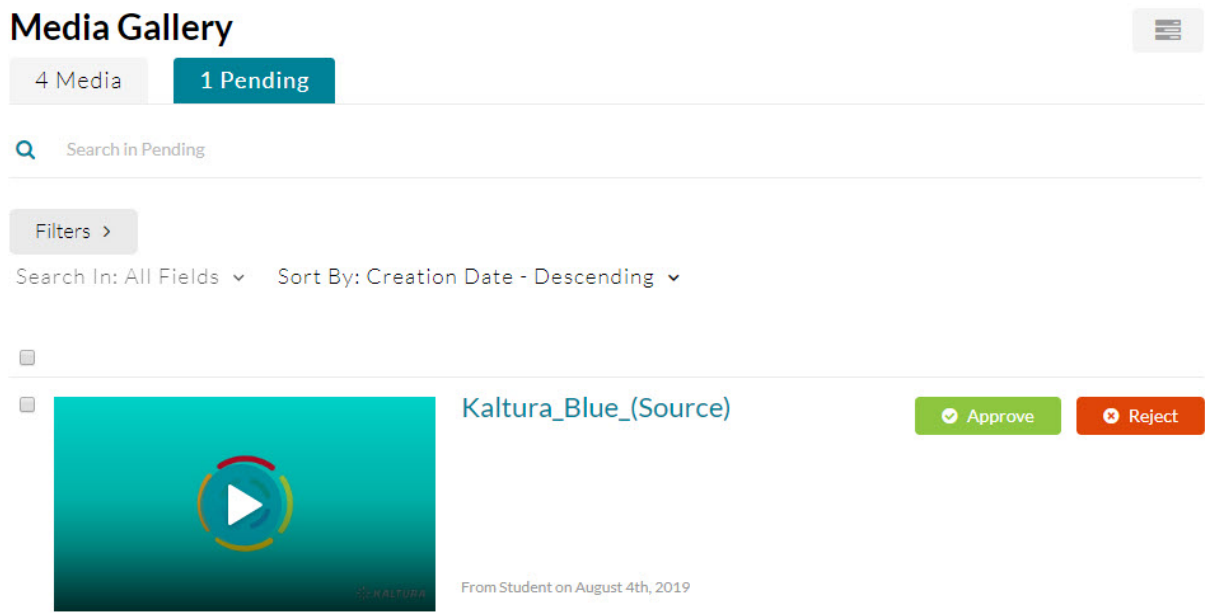

- In the Media Gallery, click on the Pending tab.

### Media Gallery

**NOTE:** If there are no media items pending moderation, the Pending tab is not displayed.

2. The Browse Pending Media window displays.

The screenshot shows the 'Media Gallery' interface. At the top, there are two tabs: '4 Media' and '1 Pending', with the '1 Pending' tab selected. Below the tabs is a search bar with the placeholder text 'Search in Pending'. Underneath the search bar is a 'Filters >' button. Below the filters, there are two dropdown menus: 'Search In: All Fields' and 'Sort By: Creation Date - Descending'. The main content area displays a list of media items. The first item is a video thumbnail with a play button icon. To the right of the thumbnail, the title 'Kaltura\_Blue\_(Source)' is displayed. To the right of the title are two buttons: 'Approve' (green) and 'Reject' (red). Below the thumbnail, the text 'From Student on August 4th, 2019' is visible.

3. You may click on a thumbnail to view the media.
4. Click Approve or Reject for a specific media item.

You can also check multiple media items and click Approve or Reject on the top for bulk approving or rejecting.

**NOTE:** Approved content is displayed in the Media Gallery for all users enrolled in the course.
