

Publishing Interactive Videos Paths

Last Modified on 06/06/2024 11:30 am IDT

 This article is designated for all users.

 Viewers must have permission to see the Kaltura Interactive Video projects as well as the media included in the interactive video.

Publish your Interactive Video

1. Navigate to My Media and click on the media to open the Media Entry page.
2. Select Publish from the Actions menu.

The screenshot shows the MediaSpace interface. At the top is a navigation bar with 'MediaSpace' and user information. Below is a video player showing a colorful logo and the text 'what's your kaltura?'. To the right of the video are sections for 'Policy' and 'Related Media'. Below the video, the title 'Interactive Techpubs' is displayed with engagement metrics. At the bottom, there is a 'Details' tab, a 'Share' button, and an 'ACTIONS' dropdown menu. The 'Publish' option in the actions menu is highlighted in yellow.

3. Set the status for your project as “Private,” “Unlisted,” or “Published.”
