Download media in Content Hubs

Last Modified on 04/13/2026 12:57 pm IDT

👥 **This article is designated for all users.**

About

Media can be downloaded via the media page in Content Hubs.

> ℹ️ Download availability depends on the media owner's settings and your permissions.
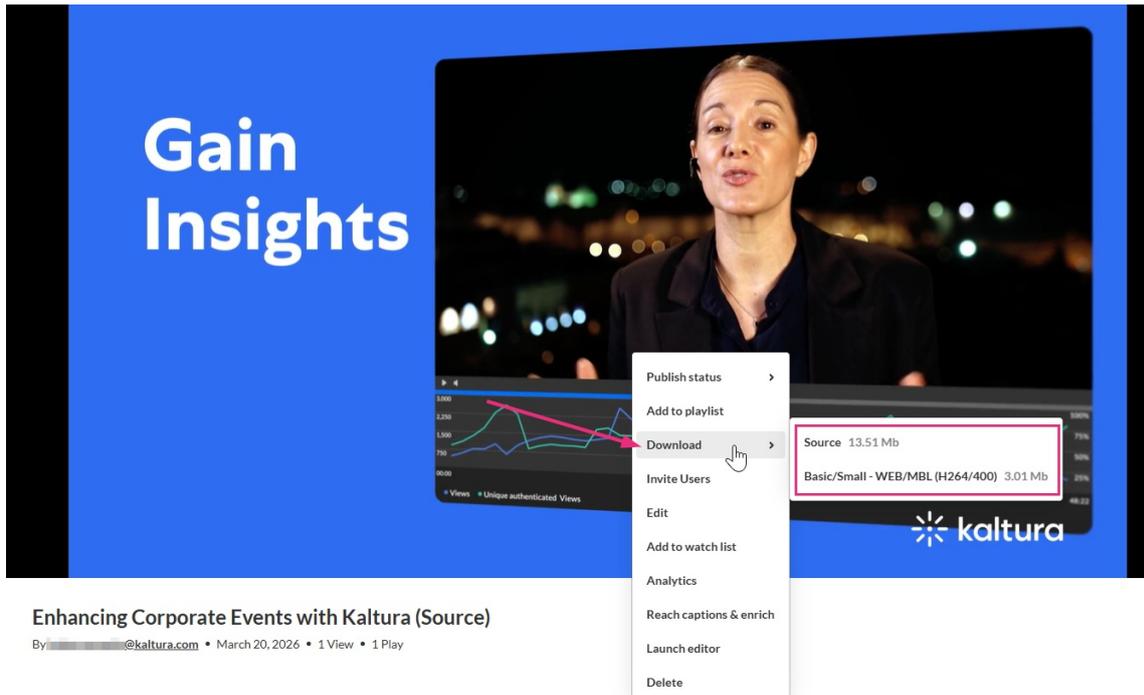

Download an entry

1. On the media page, click the **three dots** below the player.

2. Select **Download**, then choose a format from the available options.

> ℹ️ The *Download* option appears only if downloads are enabled for the media. If you don't see this option, see Enable media download for more details.

Enhancing Corporate Events with Kaltura (Source)
By ████████@kaltura.com • March 20, 2026 • 1 View • 1 Play

The entry downloads to your device.

✓

Additional download options may be available depending on the player configuration set by your administrator. To learn more, see Download.
