

Lecture Capture Essentials & Admin Agenda

Last Modified on 02/24/2020 4:15 pm IST

OVERVIEW

This session is intended for admins and will cover Lecture Capture Essentials and Admin settings.

Upon completion of this learning session, the participants will be able to:

- Understand best practices using the Kaltura *Classroom Capture* application.
- Configure your screen, audio and camera settings.
- Create an ad-hoc recording
- Edit your recording in KMS/KAF timeline.
- Create and manage a scheduled recording via KMS/KAF.
- View and control your Kaltura classroom schedule.
- Understand how to use the Monitoring Dashboard.
- How to configure *Classroom Capture* locally.
