

Kaltura Interactive Video Paths Essentials & Admin Training Agenda

Last Modified on 05/28/2020 11:21 am IDT

OVERVIEW

This session is intended for admins and will cover the basic workflows of the Interactive Video Paths (RAPT).

Key takeaways

- Understand the relationship between Interactive Video Paths, KMC and MediaSpace/KAF applications.
- Understand what is an interactive video.
- Understand the best practices for using Interactive Video Paths.
- Learn how to create and edit an Interactive Video Paths project.
- Work with the node maps and hotspots.
- Review the set up of your admin configuration page of the 'RAPT' module.
