

Annoto Essentials & Admin Agenda

Last Modified on 03/23/2020 3:17 pm IST

Overview

This session is intended for admins and/or users and will cover Annoto essentials, use cases and best practices

Upon completion of this learning session, participants will:

- Have a thorough acquaintance with the Annoto widget:
 - Know all of its features
 - Know how to use them
 - Understand their added value
- Be equipped with Annoto's best practices that are tailor-made to your organizational need.
- Have a thorough acquaintance with the Annoto dashboard:
 - Understand the analytics the dashboard provides
 - Understand the insights that can be gained from the analytics
- Receive all materials from the training
