

Review Your Quiz Results

Last Modified on 03/27/2025 8:37 am IST

i Legacy notice

This article documents the **legacy KME Room**. For information on the new room, please visit the **new Kaltura Room documentation**.

After the completion of a quiz, you can review detailed quiz results.

Find Your Quiz Results

Only room instructors or admins can access quiz results.

- 1. Go to smart.newrow.com after you've completed a quiz in your live room.
- 2. From the *Course Directory* select the course you published the quiz in.
- 3. Select the **Quizzes** tab.
- 4. Select Results.
- 5. Click the quiz results you wish to review.

or live class.

- Average Score shows the average score of all results in that quiz session.
- Published time refers to the time and date the quiz session was published.

Review Quiz Results

Quiz results can provide you a high level view of quiz session results as well as the results from specific learners. Selecting a specific quiz session displays the high level view of quiz results. The summary dashboard provides information regarding:

- **Participants** the total number of participants that took this quiz in this quiz session
- **Scores** shows you the lowest score, average score, and highest score in that quiz session.
- **Average time** showcases the average time of completion to finish the quiz from clicking start to submitting answers.
