

Publish Your Quizzes

The quizzes you create in your Kaltura Live Room courses can be added to the on-demand course or published in your live sessions for real-time assessment.

Add Quizzes To On-Demand Course

You must first add chapters to your on-demand course before adding a quiz.

1. Click + Add New Content.
2. Select the Quizzes tab.
3. Select the quiz you want to publish.
4. Click the Add & Close button.

Now that the quiz is added to your on-demand course, participants will be able to answer the quiz on their own time. You will see the results as they come in.

Conduct Live Assessment In Your Session With Quizzes

1. Select **Tools**.

2. Choose **Quizzes**.
3. Select the quiz you want to publish.
4. Click the **Start Quiz** button.

Starting the quiz publishes the quiz in the live class. Each student is prompted to start the quiz and you will see live results as they come in.
