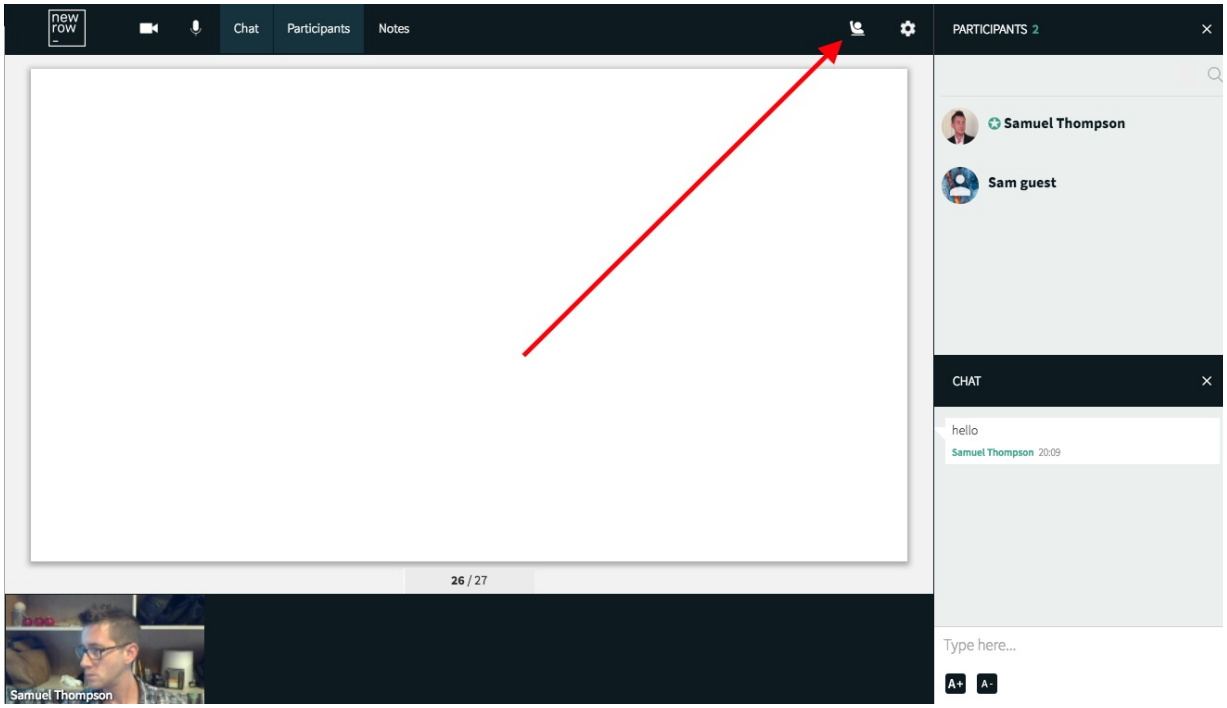
Grab the instructor's/room manager's attention by raising your hand in the session. Raising your hand in the session sends a notification to the instructor/room manager.

Raise Your Hand

1. In the live session, click the *Raise Hand* icon.



2. After your hand is raised, you will see the icon in a selected state.

Put Down Your Hand

The instructor/room manager can put down your hand after addressing your question. If you no longer need the attention of the instructor/room manager, then you can put down your hand yourself by clicking the *Raise Hand* icon again.

Click the selected raised hand icon to put down your hand and dismiss the notification.
