

# Live Assessment With Real Time Quizzing

This article describes how to conduct live assessment in your Kaltura Live Room sessions with live quizzes.

With Kaltura Live Room, you can create quizzes and conduct live assessment in your live sessions.

## Create Quizzes For Live Assessment

1. Select **Tools**.
2. Choose **Quizzes**.
3. Click the **+** button.
4. Select the *Quiz Name* field and enter in a name for your quiz.
5. Select the type of quiz, [Multiple Choice](#), [Multiple Answer](#) or [Open Questions](#).
6. Enter in your question and answer text.
  - a. Enter in text in the the *New Answer* field to add answer options. Each question can have up to 6 answer options.
  - b. As you enter question text, a field displays to add a new question.
  - c. Click the paper clip to attach files such as images or video to each of your questions.
  - d. Make sure to select one answer for Multiple Choice or more with Multiple Answer! You must choose a correct answer for each question. Note: Open question will not have a clickable answer.
7. When done, click **Save**.

## Conduct Live Assessment In Your Session With Quizzes
