

Recording Billing Management

Last Modified on 03/27/2025 9:35 am IST

i Legacy notice

This article documents the **legacy KME Room**. For information on the new room, please visit the [new Kaltura Room documentation](#).

Each Kaltura plan includes 2 hrs of Kaltura Cloud Recording. Additional recording hours are available.

Recording Plans

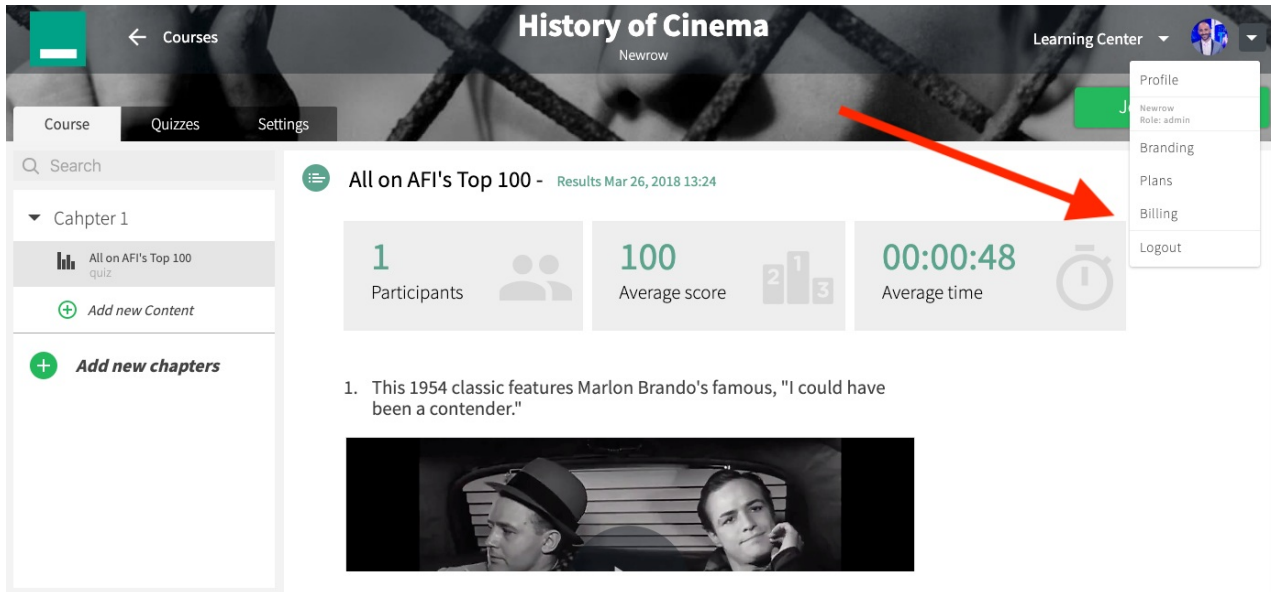

Recording plans - Additional recording hours can be purchased separately in the *Extras* section of the shopping cart.

- rec_10 - 10hrs of recording a month
- rec_30 - 20hrs of recording a month
- rec_50 - 50hrs of recording a month

Managing Your Recording Hours

- You and any instructors you add to your organization are able to initiate recording.
- Recording hours can be used in any course.
- As the customize-your-Virtual Classroom-with-your-branding-owner, you will see a percentage in the upper bar of your account indicating the percentage of recording hours used in the current billing period.
- In Billing Overview, you can see a more detailed breakdown of how many hours of recording you have used in the current billing period.

1. Click your avatar to display the account menu
2. Select **Billing**

Overages

- You will not be prevented from recording more than your plan provides.
 - In the event that you have used all of your recording hours, then you can continue to record your live sessions.
 - You will be billed for overages at the recording hourly rate of your current plan on the next billing period.
1. *Any plan* - 2hrs per plan per month with an overage rate of \$3/hour
 2. *rec_10* - 10 hours per month with an overage rate of \$2.40/hour
 3. *rec_30* - 30 hours per month with an overage rate of \$2.13/hour
 4. *rec_50* - 50 hours per month with an overage rate of \$2.00/hour
