

## Category Analytics

Last Modified on 01/22/2024 1:23 pm IST

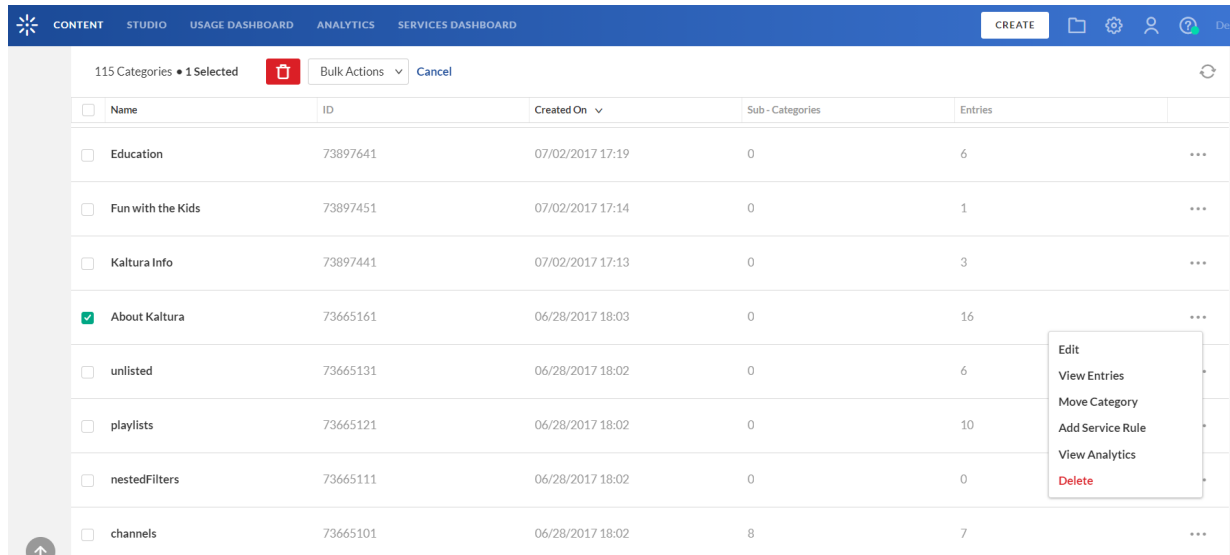

### Accessing the Category Analytics Dashboard

1. Login to the KMC and select the Categories Tab from the Content Menu.
2. In the Categories table, you have two options:

Option 1: Click on a Category Name and then select View Analytics.

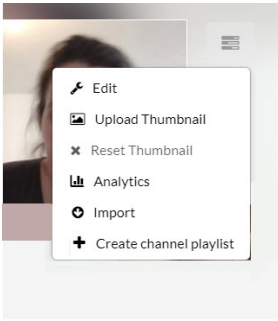

Option 2: Select a category and then select View Analytics from the Actions drop down menu.

### To Access the Category Analytics dashboard through KMS and Kaltura Application Framework Applications

In the Channel/Media Gallery, select Analytics from the hamburger menu.

## Category Analytics Dashboard

The Category Analytics dashboard (shown in KMC below) enables you to discover all the activities pertaining to a specific category. The dashboard can be used to explore category usage in different time periods and even compare between different periods. You can also filter based on a variety of parameters, including tags and media type. To learn more see [Working with the Category Analytics Dashboard](#).

As a reference for analytics terms and definitions, please see the [Advanced Analytics Terminology](#) article.

## Top Panel

The top panel of the Category Analytics dashboard provides an overview with highlights and insights about the categories in your account.

- Details - Parent Category, Category ID, Number of Sub-Categories, Creation Date and Last Update.
- Highlights - Displays a snapshot of the important metrics for the selected time frame
- Category Page Views - Displays the views from the Category Page compared to all views. See Category Page Views

## Category Metrics Over Time

## Top Videos

The top videos are selected based on a unique algorithm that takes into consideration parameters such as the amount of plays, unique viewers, and average view period and scores them in comparison to other videos in the account. In addition to the categories score, you can also see the number of plays, unique viewers and average view period for each video. You can see how successful these videos have been through the video score or based on specific metrics. Click “See Details” to display the “Top Videos” graph.

 **Note** that deleted videos will still show up in the Analytics but without thumbnails. Here is an example of the Top Videos dashboard showing only a blank thumbnail

Clicking on **See Details** will jump to the Top Videos List where you can see that this is a Deleted entry.
