

Can People Who Were Previously in Meetings With Me Use the Same Link To Join Meetings Happening Later ‘By Chance’?

Last Modified on 04/22/2020 6:58 pm IDT

Yes. People could join meetings happening later 'by chance'. The system was built for recurring classes so unless you set a password to enter the room next time, the participants that have a link to the room will be able to join the class/meeting again.
