

## Can I Password-Protect the Room for Guest Attendees?

Last Modified on 10/14/2020 3:17 pm IDT

Yes. Passwords can be set and required to access the room as a guest.

See [Require A Password To Join Your Virtual Classroom](#) for more information.

**Invite People To Join You** [X]

**Direct Link To Your Room**  
Share this link with your participants for them to join your session.

<https://smart.newrow.com/#/room/mcn-095> **Copy**

**Invite By Email**  
Choose your preferred email service to invite your participants.

Gmail  Default Email

**Set A Password**  
Require guest participants to enter a password to join.

**Require a password:** Enter a password (8-24 chars)

**Save** **Cancel**
