Can a Moderator Control Everything in a Virtual Classroom?

Last Modified on 03/27/2025 8:57 am IST

> ℹ **Legacy notice**
> This article documents the **legacy KME Room**. For information on the new room, please visit the **new Kaltura Room documentation**.

Moderators can be given all the permissions the instructor has in the live room, and each room can be assigned multiple moderators. This can be set inside the room, as shown under the participant's name below.

Note: Moderators cannot give/revoke others' permissions. This can only be done by the Instructor (the initiator of the session).

See Set Participant Permissions for more information.
