

# 3D Player Overlay - View Videos With 3D Overlays in MediaSpace

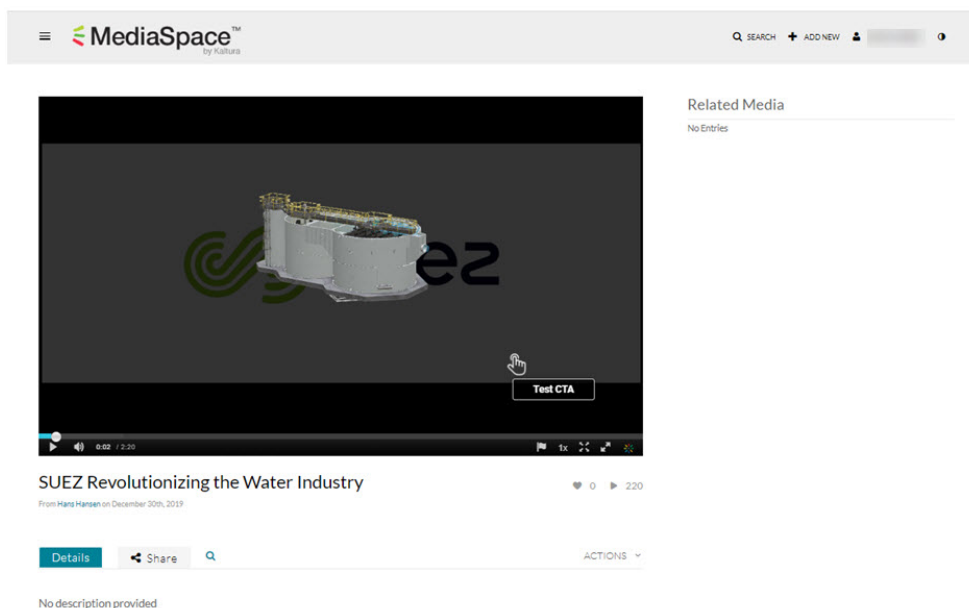

Last Modified on 04/19/2022 4:31 pm IDT

This article describes how to view videos overlaid with 3D objects in MediaSpace.

## 1. Access My Media page.

## 2. Click on desired video containing 3D object overlay. The player displays.

The configured 3D overlay displays on top of the video.
