Can I Save the Kaltura Capture Recording Locally On My Computer?

Last Modified on 12/06/2021 1:36 pm IST

Yes. You can save the Kaltura Capture recordings locally on your computer. You may find the recordings in the following default locations:

- **Windows**
  C:\Users\\AppData\Local\Kaltura\Capture\Recordings
- **Mac**
  /Users//Library/Preferences/Kaltura/Capture/recordings

As of version 4.2.141 you can see the recording folder location under the setting menu.
