

# Kaltura Extension for Jive - Essentials Agenda

Last Modified on 05/17/2020 5:06 pm IDT

## OVERVIEW

This session is intended for admin and end users and will cover the Kaltura Application Framework (KAF) plug-in and explore the user capabilities on how to upload, manage, and edit content

Upon completion of this learning session, the participants will be able to:

- Understand Kaltura Application Framework (KAF).
- Create Media using the *Kaltura Capture Suite*.
- How to use, manage and organize your *My Media* repository.
- How to upload, delete, edit and publish media.
- How to create an *Interactive Video Quiz*.
- Understand Media Gallery.
- How to view, filter and understand gallery analytics.
- Learn how to embed content in a group.
