

Registration

Last Modified on 08/05/2020 4:18 pm IDT

The Registration Module is used to allow users to create registration forms for viewing live events and VOD recordings before the player is displayed.

For more information, see the [Kaltura Event Registration Administrator's Guide](#).

Select or enter values for the relevant fields and click Save.

Field	Description
enabled	Enable, the Registration Module.
registrationForms	Select an available registration form for the entry.
registrationSetupRole	registrationSetupRole <input type="text" value="privateOnly Role"/> Choose the minimal role required to setup registration for an entry.
mediaPlayer	Select the Media Play.
