

# Attachments module

Last Modified on 04/26/2024 9:14 am IDT

 This article is designated for administrators.

## About

The Attachments module lets media owners easily attach any type of file to their media. This gives viewers the freedom to download these files before, during, or after watching, making their experience seamless and flexible.

## Configure

1. Go to your Configuration Management console, and navigate to the **Attachments** module. Your link should look like this:

`https://{your_KMS_URL}/admin/config/tab/attachments.`

### Modules

Accessibility

Addcontent

Addtoplaylists

Adminaccess

Advancedkauth

**Attachments** 

2. In the Attachments window, configure the following:

### Attachments

enabled

Yes ▾

Enable the Attachments module.

showOnlyAttachmentType

No ▾

Enabling this will cause transcript files (created by APIs for example) to not show in the attachments tab.

allowAnonymous

No ▾

Enabling this will allow anonymous users to view and download attachments.

Save

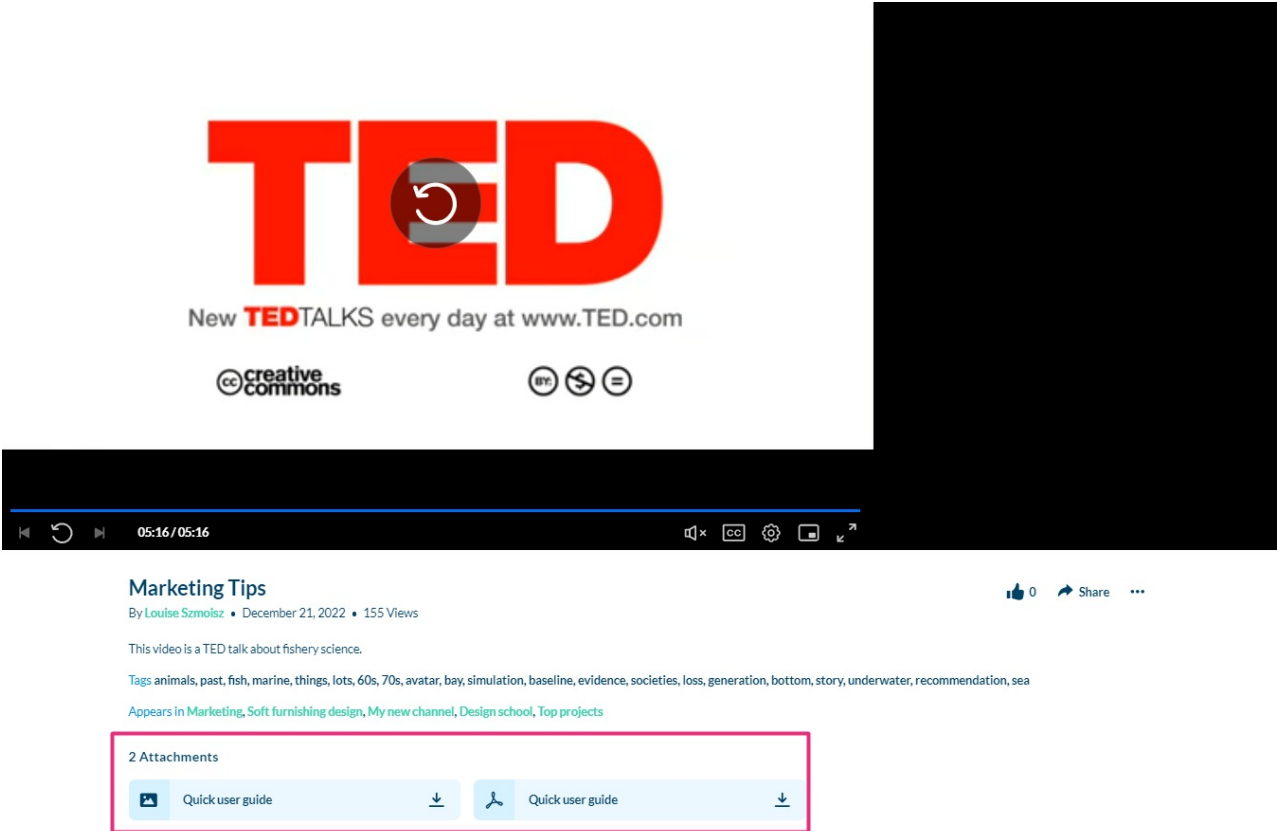

**enabled** - Set to 'Yes' to enable the module.

**showOnlyAttachmentType** - Enabling this option will hide translation files from the attachments tab.

**allowAnonymous** - Enabling this will allow anonymous users to view and download attachments.

## User experience

Entry with 'showOnlyAttachmentType' set to 'Yes'.

The screenshot displays a video player interface. At the top, the TED logo is shown in red with a circular refresh icon overlaid on the letter 'E'. Below the logo, the text reads "New TED TALKS every day at www.TED.com". Underneath, there are Creative Commons icons (CC BY-NC-ND). The video player controls at the bottom show a progress bar at 05:16 / 05:16, along with volume, closed captions, settings, and full screen icons. Below the video player, the video title "Marketing Tips" is displayed, along with the author "By Louise Szmoisz", the date "December 21, 2022", and "155 Views". There are also icons for likes (0) and share. A description follows: "This video is a TED talk about fishery science." Below the description are tags: "animals, past, fish, marine, things, lots, 60s, 70s, avatar, bay, simulation, baseline, evidence, societies, loss, generation, bottom, story, underwater, recommendation, sea" and a list of categories: "Appears in Marketing, Soft furnishing design, My new channel, Design school, Top projects". A pink rectangular box highlights the "2 Attachments" section, which contains two items, each labeled "Quick user guide" with a download icon.

Entry with 'showOnlyAttachmentType' set to 'No'.
