

Sidemymedia

Last Modified on 05/19/2020 2:55 pm IDT

Limitations

Only **one** module's sidebar is shown in KAF.

Sidebars from other modules

[Related](#) module for KMS, [Hostedrelated](#) module for KAF.

Field	Description
enabled	Enable the Sidemymedia module.
limit	How many Sidemymedia items can be displayed?
showInCategory	Should the module render the sidebar if in category context?
