

# Kaltura Video Quiz Blackboard Learn Gradebook Integration Deployment Guide

This guide describes how to deploy the Interactive Video Quiz Blackboard Gradebook Integration.

---

## Audience

This guide is for Blackboard and Kaltura administrators that intend to integrate the Kaltura Video Quiz (VQ) feature with the Blackboard Gradebook.

## Prerequisites

- Blackboard supported version: Q4 2016, Q2 2016, Q4 2015
- Kaltura Building Block 5.0.58
- Kaltura Video Package for Blackboard should be installed on your Blackboard environment

## Instructions

The new extension comes with the Gradebook feature built-in.

### To deploy the Video Quiz Blackboard Gradebook Integration

For Kaltura Admins:

1. In your KAF admin, go to the module "Ltigrading".
2. Enable the module and then click **Save**.

For Blackboard Admins:

- In System Admin ->Tools, enable the Kaltura Video Quiz Tool.
