MediaSpace and KAF Applications Administration Console

Last Modified on 06/09/2023 11:38 am IDT

> 💡 Only a KMC user can access the Kaltura Admin Console. For additional information, please visit Administration Pages.

This reference section for the Kaltura MediaSpace Administration Area contains the following tabs:

- Manage Configuration - The configurable fields in the KMS Admin Configuration Management panel. Here you can also configure how to backup and restore KMS data.
- Manage Users - The available actions related to Users are in the User Management panel.
- Manage Groups - The available actions related of Groups are in the Manage Groups panel.
- Knowledge Base - This tab contains information for developers. For more information see Kaltura MediaSpace Module Development Guidelines and Best Practices Developer Guide.
- Clear the Cache
- Go to Site - Directs you to the KMS site.
