Q: What is the difference between participated versus attended in a session user activity?

A: Participated = registered, Attended = logged in

Entry level analytics terminology

⚠ Definitions for Views, Unique Authenticated Views, and Viewers differ when displaying analytics at Entry Level.

Views: Considered as the number of *users* that press play and their viewership throughout the entry. The graphical user interface (below) displays how many users view each minute of the entry.

Unique Authenticated Views:vEquivalent to views, but counted once.

Users: Considered as *users* who have either "played" or "viewed" the media.
