Kaltura Extension for Canvas- Admin & Config Agenda (legacy)

Content updated: 06/04/2020

OVERVIEW

This session is intended for admin and will cover what is the Kaltura Application Framework (KAF) Admin page. We will explore the configuration modules and configure our design, settings and styling of our KAF plug in.

Upon completion of this learning session, the participants will be able to:

- Understand Kaltura Application Framework (KAF) Admin page.
- Configure your KAF modules.
- Understand the different types of roles and permissions.
- Understand the purpose of the Shared Repository.
- How to enable or disable custom and editing modules.
