i Legacy notice

This article documents the **legacy KME Room**. For information on the new room, please visit the [new Kaltura Room documentation](#).

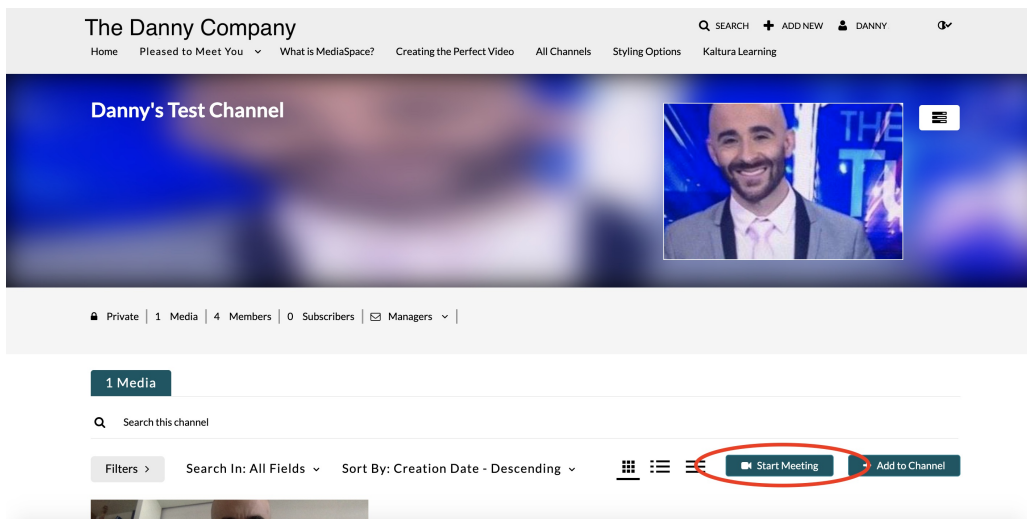

After the [Newrow module](#) is enabled by your system Administrator, [channel members](#) can initiate and join Live Rooms from channels. MediaSpace users can also launch private Live Rooms.

Join Your Live Room Via Channel (As Moderator/Manager)

If you are the Channel Manager or Moderator, you will be able to initiate live sessions.

1. Log in to MediaSpace.
2. Select a channel.
3. Within that channel, select *Start Meeting*.

□ If you are set as a *Manager* or *Moderator* within the channel, you can initiate/start a live session and enjoy full instructor permissions in the Live Room.

Join Your Live Room Via Channel (As Contributor/Member)

If you have been assigned the role of Contributor or Member to a channel, you will be able to join live sessions through the channel.

1. Log in to MediaSpace.
2. Select a channel.

3. Within that channel, select *Join Meeting*.

□ If you are set as a Contributor or Member within the channel, you can join a live session as guest/participants in the live room.

Join Your Live Room Via My Rooms

After the [Newrow module](#) is enabled by your system Administrator, and `enableUserPrivateLiveRoom` is [enabled](#), KMS users with *Private Only* role and above may launch their own personal Live room.

1. Log in to MediaSpace.
2. Select My Rooms from the User drop down menu.

3. Click the name of the live room you want to launch (or Click + *New Room* and enter a Name).

My Rooms:

Room Name	Actions
Robin's Room	Edit Delete

+ New Room

Your live room will launch immediately within the page.

□ You will be set as main Instructor of the room with full permissions in the private live room that you create.
