

Wonda Labs - About User Account Management

Last Modified on 04/16/2026 8:53 pm IDT

Whether or not Wonda Labs user has a Kaltura account, they will be able to seamlessly connect to Kaltura.

If the Wonda account email is an existing Kaltura account (SSO login):

- No new account will be created on Kaltura end.
- Wonda users will see in their Media Library their existing Kaltura content and they will be able to upload media to Wonda Labs.

If the Wonda account email does not match an existing Kaltura account:

- A Kaltura account will be created automatically for Wonda users.
 - This new user will be part of the Kaltura account but will not be logged into the KMS.
 - Wonda users will be able to upload their media to Kaltura from Wonda Labs.
