

# Wonda Labs Administrator Guide

Last Modified on 04/16/2026 8:49 pm IDT

Your Administrator can connect your Kaltura account to Wonda Labs so you can either import your media files (images, videos, and sounds) from the Kaltura platform to Wonda Labs or upload media files to Kaltura from Wonda Labs.

Kaltura features are only available for paid plans (Basic, Plus, Premium, and Campus).

[Click here](#) for the Wonda product updates.

This guide provides instructions on setting up the connection between Wonda Labs and Kaltura and ensuring access to Kaltura media in Wonda Labs.
