

# Create a Gradebook Item and See the Grade Within Blackboard Ultra

Last Modified on 06/23/2020 4:17 pm IDT

1. Log in to Blackboard Ultra and go to the My Media Tool.
2. Create a Video Quiz (VQ) using the Kaltura Video Tools Editor. See the [Kaltura Video Quiz Guide for Creating Quizzes](#) for information about creating a quiz.
3. When your quiz is finalized, go to the Course Content, and click the '+' sign.
4. Choose the Content Market.

5. Locate the Kaltura Video Quiz Tool. (The name may vary depending on the administrator's setup.)

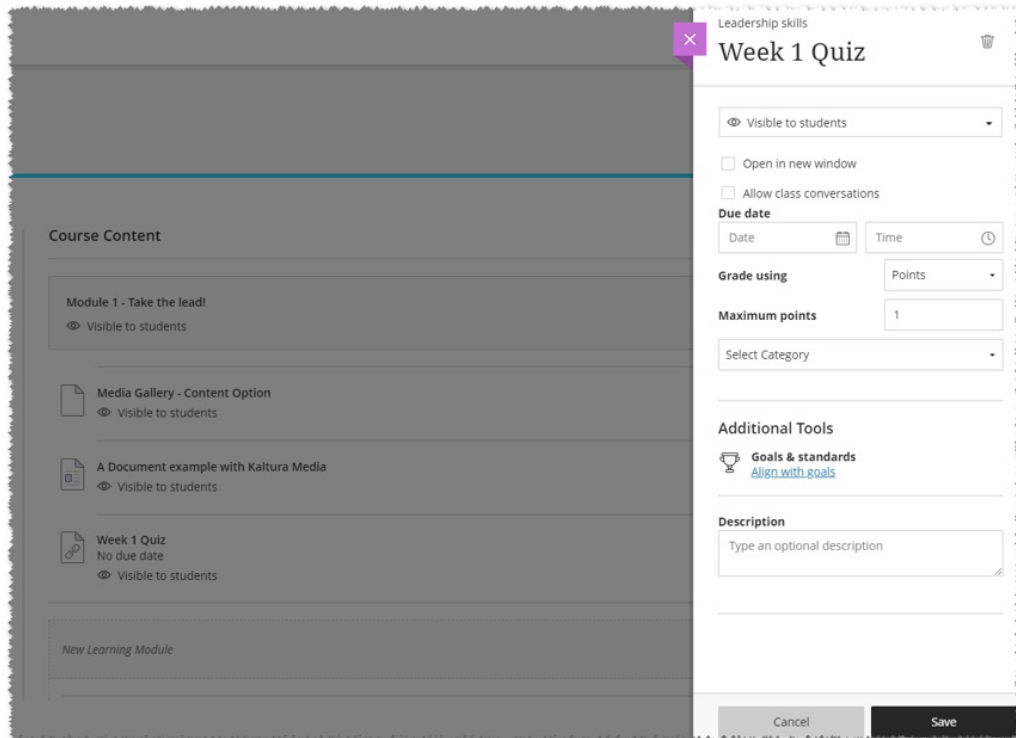

6. Filter the content of My-Media by selecting to filter by 'Quiz'.
7. Click 'Embed' to select your quiz. The quiz will display on the course page.

8. Click on the 3 dots (Actions menu) to edit the new placement and Save.

When editing, you can edit the Name, Maximum points and Due date.

9. Save your changes.

Additional information about Kaltura Interactive Video Quizzes may be found [here](#).
