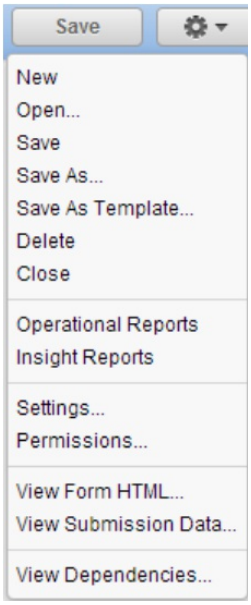
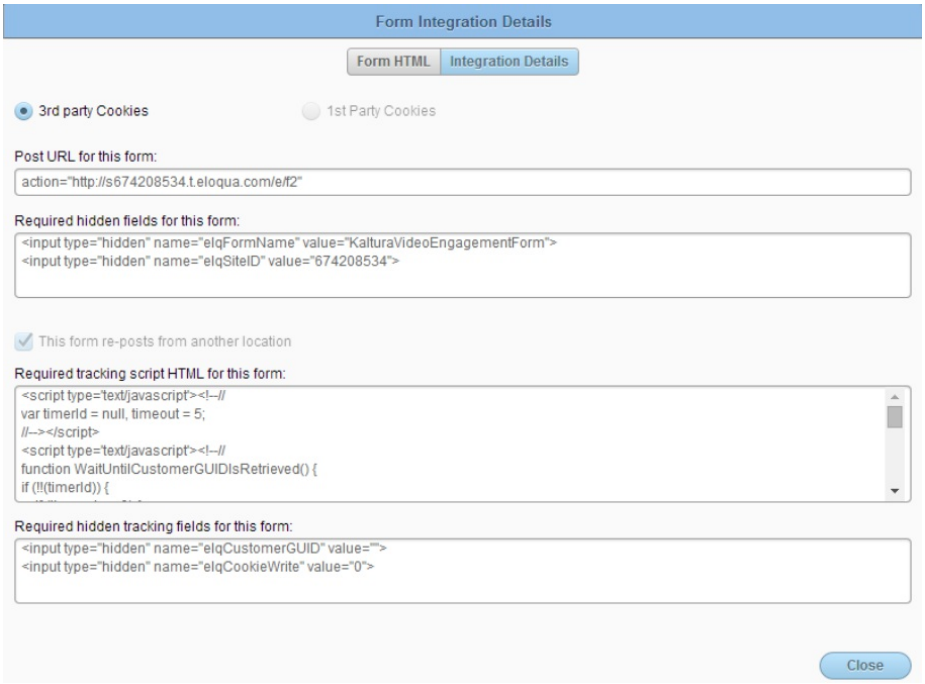
Adding the Player Plugin to all Relevant Kaltura Players

Last Modified on 06/26/2020 5:36 pm IDT

1. In the defined form, click the gear icon on the top right corner.



2. Click View Form HTML.
3. Click Integration Details.



4. Copy the first 3 items (under the titles ‘Post URL for this form’ and ‘Required hidden fields for 'this form’ to a side note to be used later.
5. In the Kaltura Management Console (under Studio) find the player IDs of all the players you are using for marketing and copy them.
6. Send the data to your Kaltura representative (Customer Success Manager, Support or Project Manager) for implementation.
