

Join A Kaltura Live Room Via LMS/Media Gallery

Last Modified on 07/14/2020 11:54 am IDT

After the [Newrow module](#) is enabled and users have been assigned [Permissions In LMS](#) by the system Admin, students and teachers can join or initiate live rooms respectively. Please note that all images included in this article are of a generic LMS template and may not be identical to your LMS's display.

Join Your Live Room Via LMS/Media Gallery

To connect to live meeting rooms via your LMS

1. Log in to your LMS.
2. Select a course.
3. Within that course, select *Media Gallery*.
4. Select the *Media* tab.
5. Click *Start Meeting* or *Join Meeting*.

If you are set as an Instructor within the course/meeting, you can initiate/start a live session and enjoy the full instructor permissions in the live room. Students/learners are able to join a live session with basic student permissions.
